The City shall process undisputed portion immediately.

5. Meet & Confer. Consultant agrees to meet and confer with City or its agents or employees with regard to services as set forth herein as may be required by the City to ensure timely and adequate performance of the Agreement.

6. Additional Copies. (D) Give prompt written notice to Consultant whenever City observes or otherwise becomes aware of any defect in a project.

The failure to provide notice of any breach of this Agreement or failure to comply with any of the terms of this Agreement shall not constitute a waiver thereof. Failure on the part of either party to enforce any provision of this Agreement shall not be construed as a waiver of the right to compel enforcement of such provision or any other provision. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Consultant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.

The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the City of Salinas for all work performed by the Consultant, its employees, agents, and subcontractors.

Consultant shall furnish the City with original certificates and amendatory endorsements or copies of the applicable insurance language effecting coverage required by this Agreement. All certificates and endorsements are to be received and approved by the City before work commences. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

Subcontractors

Consultant shall require and verify that all sub-consultants and/or subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure that Entity is an additional insured on insurance required from such sub-consultants and/or subcontractors.

Special Risks or Circumstances

City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Maintenance of Insurance

	<ul style="list-style-type: none"> • Trace and verify the gross receipts reported on the quarterly gross receipts returns prepared by the business to gross receipts recorded in the business’s accounting records to verify that these were in accordance with the City’s regulations. • Verify reasonableness of reported revenues • We will issue all reports to the City in accordance with applicable standards from generally accepted auditing standards (GAAS). • The report for each cannabis business license tax audit will include the following information: <ul style="list-style-type: none"> • The overall conclusion of whether or not the cannabis business paid all required business license taxes and fees for the time period specified. • Any exceptions, errors, or areas of noncompliance were identified as a result of the procedures performed. This includes any significant deficiency in the design or operation of the internal control structure, including but not limited to the following areas: cash handling, inventory control, point of sale systems, and any other areas that the auditor deems necessary for purposes of accurately reporting business license taxes due to the City. • Express an opinion regarding the taxes remitted to the City by the cannabis business, or state that an opinion cannot be expressed in the auditor’s report. If the Firm concludes, it cannot express an overall opinion. The engagement team will state the reasons, therefore, in the auditor’s report. • Examine records and documentation that demonstrates that all cannabis goods have been obtained from, and are provided to, other licensed cannabis businesses and that details all the revenues and expenses, and assets and liabilities of the business. • Examine books of account, invoices, copies of orders and sales, shipping instructions, bills of lading, weigh bills, bank statements including canceled checks and deposit slips, and all other records necessary to show all transactions of the cannabis business.
