3. **Compensation**

The COUNTY shall pay the LSP for products as stated in Exhibit A, incurred in accordance with the terms of this Agreement. The COUNTY is not responsible for any fees or costs incurred above or beyond the contracted amount and shall have no obligation to purchase any specified amount of services or products.

Non-Appropriations: The COUNTY obligation for payment of this Agreement beyond the current fiscal year end is contingent upon and limited by the availability of COUNTY funding from which payment can be made, and invoices shall be rendered "monthly" in arrears. In the State of California, Government agencies are not allowed to pay excess interest and late charges, per Government Codes, Section 926.10. LSP shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes LSP indemnification to Indemnitees as set forth herein.
- 4.3** LSP obligation hereunder shall be satisfied when LSP has provided to County the appropriate form of dismissal relieving county from any liability for the action or claim involved.

5. Termination:

- 5.1** County may terminate this Agreement without cause upon thirty (30) days written notice served upon the LSP stating the extent and effective date of termination.
- 5.2** County may, upon five (5) days written notice terminate this Agreement for LSP default, if LSP refuses or fails to comply with the terms of this Agreement or fails to make progress that may endanger performance and does not immediately cure such failure. In the event of such termination, the County may proceed with the work in any manner deemed proper by County.
- 5.3** LSP rights under this Agreement shall terminate (except for fees accrued prior to the date of termination) upon dishonesty or a willful or material breach of this Agreement by LSP; or in the event of LSP unwillingness or inability for any reason whatsoever to perform the terms of this Agreement.

Microsoft EA Benefits for Government Agencies

E1 Reduced Paperwork

Reduced number of separate documents to review – by consolidating amendments into a single document. Many of the amendments previously required are now built into the enrollment document. Customers utilizing the County of Riverside EA Master Agreement may choose either an Enterprise Enrollment or a Server and Cloud Enrollment (or both) depending on their needs.

E2 Standard Pricing Across all platforms

Microsoft will provide LSP's (authorized EA LSPs on this contract) with Government Level-D, pricing off of published "LSP cost" all platforms. Azure discount is a factor of the consumption rate. This will make it easy when calculating New, Additional product, and True-up purchases at the beginning or during your Enterprise Agreement Term. It also reduces possible confusion among partners.

E3 No charge Onboarding Services

Microsoft assisted onboarding is now a benefit of [Office 365](#), [Microsoft Intune](#), [Azure AD Premium](#) and Azure [RMS](#). Eligible customers will receive guidance from a dedicated group of onboarding experts known as the Microsoft FastTrack Center (FTC) to onboard to these services. The FTC uses an onboarding approach known as FastTrack to help you, your IT Team, and or Partner, confidently onboard new users and capabilities. Programs are subject to change and/or evolve.

E4 No Charge Security Incident Assistance

Microsoft will engage special security teams in the event of an exploit if your organization leverages Microsoft security technologies as part of your enterprise agreement commitment. These teams will help you identify and stop the malicious attack and triage the incident. See your Microsoft Sales Executive for more details.

E5 Raise and lower commitment for hosted services during the Enterprise Agreement Period

You can raise your commitment for hosted services like O365, CRM, Azure during the current EA year and only commit to the remaining months in that year. Example: your anniversary for your Year-2 term is in November and your adding 100 Office 365 users in May. You will only be obligated to pay for the 6 months leading to your anniversary. Additionally, you can now true-down hosted services at your anniversary to the original commitment level as well.

E6 Additional Software Assurance benefits

- With New Version Rights, you can upgrade each Microsoft product license that is covered by active Software Assurance to the most recent version for no additional cost. When a new version of Microsoft Office is released during the term of your agreement, your licenses are automatically upgraded to the new version.
- Office Roaming Use Rights: Help expand end-user productivity and extend the value of your virtual desktop environment with Office Roaming Use Rights, which lets users with Software

Assurance on Office, Project, or Visio remotely access their software on their virtual desktops from third-party devices.

- **Spread Payments:** Spread the costs of your License and Software Assurance purchase across three equal, annual sums versus one up-front payment to help reduce initial costs and aid in forecasting annual software budget requirements up to three years in advance. When you use the Spread Payments benefit, no interest or additional fees are incurred. You may also consider Microsoft Payment Solutions to help finance your technology needs, including software, services, partner products, and hardware. Although Microsoft Payment Solutions is not part of Software Assurance, you can choose it separate from, or in addition to, the Spread Payments benefit to create a customized payment structure.
- **Step-Up Licensing:** Volume Licensing customers with Software Assurance can migrate from a lower edition to a higher edition software product while maintaining their Software Assurance coverage on a given product. The Step-up License makes it easier for you to move from a lower level edition to a higher-level edition without incurring the full cost of licensing two separate editions of the software.
