Award of the Sherwood Recreation Center Building Improvement, CIP 9535

Councilmember Salazar recused himself from this item due potential conflict of interest resulting from a family member being employed by Otto Construction.

Received report from Senior Civil Engineer Mohammad El-Ali regarding the Sherwood Recreation Center Building Improvement, CIP 9535. On July 15, 2025, three (3) bid proposals were received by the City from Otto Construction Inc., Marvulli Inc., and CWS Construction Group Inc. The lowest responsive and responsible bidder, Otto Construction Inc., submitted a base bid in the amount of \$2,686,900. Staff recommends awarding the project to Otto Construction Inc. for the base bid amount of \$2,686,900 and approving an allowance of \$538,000 for construction contingencies, approximately 20% of the contract amount. Report filed with the City Clerk as the official record.

First Substantial Amendment to HUD FY 2023-2024 Annual Action Plan

Received report from Community Development Director Lisa Brinton regarding the Sherwood Recreation Center (SRC) Building Improvement project (CIP 9535) and reassessment of associated construction costs shortfall of approximately \$595,000. To close this funding gap, the City proposes its First Substantial Amendment to the FY 2023-2024 Annual Action Plan (AAP), reallocating \$550,000 in unspent Community Development Block Grant (CDBG) funds from the Republic Café project and \$45,000 from the Housing Referrals and Tenant/Landlord Services project. These funds, originally designated through the FY 2023-2024 AAP, would be redirected to support the SRC improvements. The reallocated CDBG funds will be used to cover administrative expenses, construction activities, and contingency costs associated with the project. Report filed with the City Clerk as the official record.
