## I. INTRODUCTION

On July 12, 2016 the City Council (the "Council") of the City of Salinas (the "City") adopted its Resolution of Intention indicating its preliminary intention to refund the bonds of two existing assessment districts and one existing reassessment district within the City by issuing limited obligation refunding bonds under the provisions of the Refunding Act of 1984 for 1915 Improvement Act Bonds, being Division 11.5, commencing with Section 9500, of the California Streets and Highways Code (the "Refunding Act"). The Council indicated it would accomplish this by means of a single reassessment district. The two assessment districts and one reassessment district whose bonds (collectively, the "Prior Bonds") are to be refunded are Acacia Park Assessment District No. 96-1, Bella Vista III Assessment District No. 98-1, and Bella Vista I and II Reassessment District No. 2002-1 (collectively, the "Prior Districts". The proposed reassessment district has been denominated "Reassessment District No. 2016-1 (Acacia Park Assessment District No. 96-1, Bella Vista III Assessment District No. 98-1, and Bella Vista I and II Reassessment District No. 2002-1) (the "Reassessment District").

The Resolution of Intention directed Harris & Associates, civil engineers (the "Reassessment Engineer"), to prepare and file with the City Clerk a report in writing containing the matters specified in Section 9523 of the Refunding Act: (i) a schedule setting forth the unpaid principal and interest of the Prior Bonds to be refunded and the total amounts thereof and the unpaid assessment being continued; (ii) the total estimated principal amount of the reassessment and of the refunding bonds and the maximum interest thereon, together with an estimate of the cost of the reassessment and of issuing the refunding bonds; (iii) the auditor's record showing the schedule of principal installments and interest on all unpaid original assessments and the total amounts thereof; (iv) the estimated amount of each reassessment, identified by reassessment number corresponding to the reassessment number of the reassessment diagram, together with a proposed auditor's record for the reassessment; and (v) a reassessment diagram showing the assessment district and the boundaries and dimensions of the subdivisions of land within the district.

The undersigned is a Registered Civil Engineer with the Reassessment Engineer, and is the author of this Reassessment Report. In addition to the matters required by Section 9523 of the Refunding Act, I have included information in this Report to demonstrate, and to support findings the Council may wish to make, that the conditions necessary to enable the Council to order the reassessment and refunding of the Prior Bonds without the necessity of noticing and holding a public hearing, set forth in Section 9525 of the Refunding Act, have been fulfilled.

The Reassessments in this Report have been spread upon the various subdivisions of land within the Assessment District in the exact proportions used in spreading the original assessments. Therefore I have accepted, and have not questioned or changed, the estimates of special benefit used in spreading the original assessments. Thus the Reassessments, as indicated in this Report, levied for the purpose of refunding the Prior Bonds, have been spread upon the various subdivisions of land within the Assessment District in accordance with law.

Submitted for approval by the City Council of the City of Salinas on July 12, 2016.

---

K. Dennis Klingelhofer, Reassessment Engineer

## **V. EXPLANATION OF THE METHOD OF SPREAD OF THE REASSESSMENT**

For each of the three prior Assessment Districts, the method by which the Reassessment was spread upon the various parcels within the Assessment District consists of three steps:

### **ASSESSMENT DISTRICT NO. 96-2**

First, calculate the "Net Need". The Net Need is equal to the total cost less available funds. This calculation was \$474,840.00 minus \$133,840.00 equaling \$340,000.00.

Second, the Net Need was assigned to the properties within Assessment District.

Finally, the total amount to be reassessed was taken and apportioned to the various parcels in the Assessment District in exact proportion to the remaining principal amounts of the original assessments on the various parcels. This resulted in a uniform reduction in the amount assessed. The Reassessment for each parcel is a reduction of 26.05% of the remaining original assessment on that parcel.

### **ASSESSMENT DISTRICT NO. 98-1**

First, calculate the "Net Need". The Net Need is equal to the total cost less available funds. This calculation was \$3,322,071.00 minus \$657,071.00 equaling \$2,665,000.00.

Second, the Net Need was assigned to the properties within Assessment District.

Finally, the total amount to be reassessed was taken and apportioned to the various parcels in the Assessment District in exact proportion to the remaining principal amounts of the original assessments on the various parcels. This resulted in a uniform reduction in the amount assessed. The Reassessment for each parcel is a reduction of 11.26% of the remaining original assessment on that parcel.

### **ASSESSMENT DISTRICT NO. 2002-1**

First, calculate the "Net Need". The Net Need is equal to the total cost less available funds. This calculation was \$2,426,319.26 minus \$876,319.26 equaling \$1,550,000.00.

Second, the Net Need was assigned to the properties within Assessment District.

Finally, the total amount to be reassessed was taken and apportioned to the various parcels in the Assessment District in exact proportion to the remaining principal amounts of the original assessments on the various parcels. This resulted in a uniform reduction in the amount assessed. The Reassessment for each parcel is a reduction of 33.20% of the remaining original assessment on that parcel.

**VI. REAPPORTIONMENT OF PARCELS IN THE ASSESSMENT DISTRICT THAT HAVE BEEN SUBDIVIDED OR MERGED AFTER THE FISCAL YEAR 2016-17 LEVY**

## **X. REASSESSMENT DIAGRAM**

The Reassessment Diagram, although bound separately, is incorporated herein by this reference. A reduced and not-to-scale copy of the Reassessment Diagram is reproduced here for reference and is provided on the following pages.

Each subdivision of land reassessed is described by reference to its parcel number as shown on the Assessor's Maps of the County of Monterey for fiscal year 2016-17. For a more particular description of said property, reference is hereby made to the deeds and maps on file and of record in the office of the County Recorder of said County.

## **XI. ENGINEER'S CERTIFICATION FOR SUMMARY PROCEEDINGS UNDER STREETS AND HIGHWAYS CODE SECTION 9525**

I do hereby reassess and apportion the portion of the total amount of the cost and expenses of the reassessment and refunding upon the several lots, pieces or parcels or portions of lots or subdivisions of land liable therefore and benefited thereby, and hereinafter numbered to correspond with the numbers upon the attached diagram, upon each, severally and respectively, in accordance with the benefits to be received by such subdivisions, respectively, from the acquisitions and improvements, and more particularly set forth in the list hereto attached and by reference made a part hereof.

To assist the City Council in making the findings necessary, under Streets and Highways Code Section 9525, to order the issuance of the Refunding Bonds without the necessity of notice and public hearing, I reiterate that the Reassessment was spread by *reducing* the principal amount of assessment for every parcel in the Assessment District. The Reassessment Auditor's Record, although it uses an estimated interest rate, nonetheless uses a rate that is less than the rates on the Prior Bonds. Finally, the length of time that assessment installments are to be collected was *not increased* for any parcel in the Assessment District. This has resulted in the following:

1. By examining Section VII of this Report (AUDITOR'S RECORDS OF UNPAID PRIOR AND REFUNDING ANNUAL INSTALLMENT), it may be seen, and I certify, that each estimated annual installment of principal and interest on the Reassessment, for all subdivisions of land within the Assessment District, is less than the corresponding annual installment of principal and interest on the portion of the original assessment being superseded and supplanted. Further, that reduction is the same percentage for all subdivisions of land within the Assessment District.
2. By looking at Section II of this Report (DEBT SERVICE SCHEDULES FOR THE PRIOR BONDS AND COMPARISON TO ESTIMATED DEBT SERVICE SCHEDULE FOR THE REFUNDING BONDS), it may be seen, and I certify, that the number of years to maturity of the Refunding Bonds is not more than the number of years to the last maturity of the Prior Bonds.
3. By looking at Section VIII of this Report (COMPARISON OF REMAINING ORIGINAL ASSESSMENTS TO REASSESSMENTS) it may be seen, and I certify, that the principal amount of the Reassessment on each subdivision of land within the Assessment District is less than the portion of the original assessment being superseded and supplanted by the same percentage for all subdivisions of land within the Assessment District. Further, that reduction is the same percentage for all subdivisions of land within the Assessment District.

Notice is hereby given that refunding bonds to represent unpaid reassessments and bear interest at the rate of not to exceed twelve percent (12%) per annum, or such higher rate of interest as may be authorized by applicable law at the time of sale of such bonds, will be issued hereunder in the manner provided by Chapter 3 of Division 11.5 of the Streets and Highways Code, the Refunding Act of 1984 for 1915 Improvement Act Bonds, and the last installment of such refunding bonds shall mature not to exceed September 2, 2030.

Dated: July 12, 2016

---

K. Dennis Klingelhofer, Reassessment Engineer  
Harris & Associates, Civil Engineers  
R.C.E. No. 50255

## **XII. ANNUAL COLLECTION OF EXPENSES**

Under the authority of Streets and Highways Code Section 9505, the City may instruct the Auditor to add amounts to the annual reassessment installment for each parcel to cover the City's expenses of collecting the reassessment installments and administering the Assessment District and Bonds in accordance with the provisions of Sections 8682 and 8682.1 of the Streets and Highways Code.
