SUBJECT: Support for Interim, Inc.

Dear Ms. Hunter:

The Salinas Valley Chamber of Commerce offers this letter of support for Interim, Inc. in regards to the organization's plans to build supportive housing to serve their clients within the City of Salinas. While the Chamber Board is not apprised of all of the details for any specific parcels of property which Interim plans to develop, we would like to offer our support for Interim, Inc. as an upstanding, well-managed community organization.

It bears repeating that the need for housing of all types in our area is acute, so the degree to which the Permit Center you oversee is able to expedite and approve plans, while of course adhering to local and State laws, is beneficial to Interim, its clients and the community at large.

We thank you for your attention to this letter. If you have any questions, please contact me at (831) 751-7725.

Sincerely,

A handwritten signature in blue ink that reads "Paul J. Farmer".
