This provision does not apply to any policy in which the additional insured is a Named Insured on such other policy and where our policy is required by a written contract or written agreement to provide coverage to the additional insured on a primary and non-contributory basis.

- E. This endorsement does not apply to an additional insured which has been added to this Coverage Part by an endorsement showing the additional insured in a Schedule of additional insureds, and which endorsement applies specifically to that identified additional insured.

COVER LETTER

ESI is in receipt of the **Original RFP – Addendum #1 – City provided Filter List**. All of the documents were reviewed and considered for the purposes of providing pricing to the City of Salinas for the HVAC RFP. ESI participated in the Site visits to each of the City Identified buildings and understands the equipment / equipment access to each of the buildings identified in the RFP.

Recognized as being a first class Mechanical Contractor ESI strives to maintain the feel and client interaction of its Family owned business roots. ESI's long-term partnerships with Public Entities, Governments and School Districts have allowed ESI a better understanding of the protocols and nuisances required to effectively provide service work in the public sector over other local and large mechanical contractors.

A factor ESI has considered in providing pricing for this RFP is the training needed for City employees to better understand the ongoing and specific HVAC service requirements of the Identified City Building for this RFP. Each of these buildings have very individual service requirements. Left unmaintained, as in recent years, the buildings HVAC systems are deteriorating at a much greater rate than their actual years of operational service. ESI will provide ongoing informal training to City Staff as the proper means / methods to service and troubleshoot HVAC related issues between the prescribed service intervals.

All work shall be in accordance with wage scales and applicable determinations made by the Director of the DIR, as provided by Article 2, Chapter 1, Division 2, Part 7 of the Labor Code of the State of California, commencing with §1771.

Penalties for violations may be applied by the DIR pursuant to the Labor Code §1813 and §1815. The Contractor shall indemnify, hold harmless, and defend the City (with counsel reasonably approved by the City) against any claim for damages, compensation, fines, penalties, or other amounts arising out of the failure or alleged failure of any person or entity (including Contractor and its subcontractors) to pay prevailing wages as determined pursuant to Labor Code §1720, and hereby agrees to, §§1771-1774; to employ apprentices pursuant to Labor Code §1777.5 et seq., and/or to comply with the other applicable provisions of Labor Code §1720 et seq., §§1771-1774, §1777.5 et seq., and the implementing regulations of the DIR in connection with the scope of work. The current wage rate information can be found at the DIR's website at: <https://www.dir.ca.gov/oprl/DPreWageDetermination.htm>. Copies of the prevailing rate of per diem wages are on file at City's Public Works Department (principal place of office).
