

AGREEMENT BETWEEN THE CITY OF SALINAS AND GRANITE ROCK COMPANY FOR SUPPLY OF ASPHALT AND CONCRETE MATERIALS

THIS Agreement for Supply of Asphalt and Concrete Materials ("Agreement") is made and entered into this 30th day of September 2025, by and between the City of Salinas, a California Charter city and municipal corporation (hereinafter "City") and Granite Rock Company, a California corporation (hereinafter "Supplier").

City and Supplier agree as follows:

1. Scope. The City desires Supplier to provide asphalt and concrete materials and related products ("Materials") to the City per the specifications attached hereto, and incorporated herein by this reference, as Exhibit A.
2. Term. This Agreement shall commence July 1, 2025, and shall continue through June 30, 2027 unless City grants a written extension of time. This Agreement may be terminated by the City without cause.
3. Payment. The City shall pay Supplier for Materials purchased by City in arrears per invoice provided by Supplier in accordance with the prices set forth in the Supplier's proposal attached hereto as Exhibit B, incorporated herein by this reference. The total amount of compensation to be paid by the City to Supplier under this Agreement shall not exceed One Hundred Ten Thousand Dollars (\$110,000). All prices and fees set forth in Exhibit B are firm and shall not be subject to change without the written approval of the City. No extra charges of any kind will be allowed unless specifically agreed to in writing by the Public Works Director. The total price shall include all federal, state, local, and other taxes applicable to the Materials supplied to City hereunder and all charges for packing, freight, transportation, and delivery.
4. Appropriations. This Agreement is subject to and contingent upon funds being appropriated therefor by the Salinas City Council for each fiscal year covered by the term of this Agreement. If such appropriation is not made, this Agreement shall automatically terminate without any penalty to the City.
5. Meet and Confer. Supplier agrees to meet and confer with City or its agents or employees with regard to services as set forth herein as may be required by City to insure timely and adequate performance under this Agreement.
6. Indemnification. Supplier shall hold harmless, defend at its own expense, and indemnify . City and its officers, officials, employees, agents, and volunteers from and against all liability, claims, damages, losses, and/or expenses including reasonable City attorney fees arising from all acts or omissions of Supplier or its officers, agents, or employees arising out of the performance of this Agreement, caused in whole or in part by any negligent act or omission of the Supplier, any subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, except where caused by the sole negligence or willful misconduct of the City.

7. Insurance. Supplier shall procure and maintain for the duration of this Agreement insurance meeting the requirements specified in Exhibit C, attached hereto.
8. Licensing. Supplier warrants that it is properly licensed to supply Materials specified under this Agreement, including but not limited to possession of a current City business license.
4. Termination. City may terminate this Agreement without cause upon ten days' written notice. The amount of damages, if any, as a result of such termination may be decided by negotiations between the parties or before a court of competent jurisdiction.
5. Agency. In performing the services specified under this Agreement, Supplier is hereby deemed to be an independent contractor and not an agent or employee of City.
6. Non-Assignability. The rights and obligations of Supplier hereunder are not assignable and cannot be delegated without written consent of City.
7. Entire Agreement. This Agreement constitutes the entire Agreement between the parties hereto and supersedes any and all prior agreements, whether oral or written, relating to the subject matter thereof. Any modification of the Agreement will be effective only if it is in writing signed by both parties hereto.
8. Validity. If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions will continue in full force without being impaired or invalidated in any way.
9. Counterparts. This Agreement may be executed in multiple originals, each of which is deemed to be an original, and may be signed in counterparts.
10. Laws. Supplier agrees that in the performance of this Agreement it will comply with all applicable State, Federal and local laws and regulations including, but not limited to, prevailing wages laws applicable to Supplier's provision of Materials to the City. This Agreement shall be governed by and construed in accordance with the laws of the State of California, County of Monterey, and City of Salinas.

IN WITNESS WHEREOF, this Agreement is entered into by the parties hereto on the day and year first written above.

Exhibit C

Insurance Requirements

Contractor shall procure and maintain for the duration of the contract, and for three years thereafter, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, his/her/its officers, agents, representatives, employees, and/or subcontractors.

MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be at least as broad as:

1. **Commercial General Liability** ("CGL"): Insurance Services Office ("ISO") Form CG 00 01 covering CGL on an occurrence basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than **\$2,000,000** per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO Form CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.
2. **Automobile Liability**: ISO Form CA 0001 covering Code 1 (any auto), with limits no less than **\$1,000,000** per accident for bodily injury and property damage.
3. **Workers' Compensation**: as required by the State of California, with Statutory Limits, and Employers' Liability insurance with a limit of no less than \$1,000,000 per accident for bodily injury or disease.
4. **Contractors' Pollution Legal Liability and/or Asbestos Legal Liability and/or Errors and Omissions** (if project involves environmental hazards): with limits no less than \$1,000,000 per occurrence or claim, and \$2,000,000 policy aggregate, on an annual basis.

If the Contractor maintains broader coverage and/or higher limits than the minimums shown above, the Contractor requires and shall be entitled to the broader coverage and/or higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Self-Insured Retentions

Self-insured retentions must be declared to and approved by the City. At the option of the City, either: the Contractor shall cause the insurer shall to reduce or eliminate such self-insured retentions as respects the City, its officers, officials, employees, and volunteers; or the Contractor shall provide a financial guarantee satisfactory to the City guaranteeing payment of losses and related investigations, claim administration, and defense expenses. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City.

Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **The City, its officers, officials, employees, and volunteers are to be covered as additional insureds** on the CGL policy with respect to liability arising out of work or operations performed

by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations and automobiles owned, leased, hired, or borrowed by or on behalf of the Contractor. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance (at least as broad as ISO Form CG 20 10, CG 11 85 or **both** CG 20 10, CG 20 26, CG 20 33, or CG 20 38; **and** CG 20 37 forms if later revisions used).

2. For any claims related to this project, the **Contractor's insurance coverage shall be primary** insurance coverage at least as broad as ISO CG 20 01 04 13 as respects the City, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.

3. Each insurance policy required by this clause shall provide that coverage shall not be canceled, except with notice to the City.

4. A copy of the claims reporting requirements must be submitted by Contractor to the City.

5. If the services involve lead-based paint or asbestos identification/remediation, the Contractor's Pollution Liability policy shall not contain lead-based paint or asbestos exclusions. If the services involve mold identification/remediation, the Contractor's Pollution Liability policy shall not contain a mold exclusion, and the definition of Pollution shall include microbial matter, including mold.

Acceptability of Insurers

Insurance is to be placed with insurers authorized to conduct business in the state with a current A.M. Best rating of no less than A: VII, unless otherwise acceptable to the City.

Waiver of Subrogation

Contractor hereby agrees to waive rights of subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

Verification of Coverage

Contractor shall furnish the City with original Certificates of Insurance including an additional insured endorsement and all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements to City before work begins. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements, required by these specifications, at any time.

Subcontractors

Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that City is an additional insured on insurance required from subcontractors. For CGL coverage subcontractors shall provide coverage with a form at least as broad as CG 20 38 04 13.

Maintenance of Insurance

Maintenance of insurance by Contractor as specified shall in no way be interpreted as relieving Contractor of its indemnification obligations or any responsibility whatsoever and the Contractor may carry, at its own expense, such additional insurance as it deems necessary.

Special Risks or Circumstances

City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
