SUBJECT: Safe Streets Pilot Program – Funding Award

Dear Mr. Easterling:

At the December 4, 2019 meeting of the Transportation Agency for Monterey County, the Board awarded a total of \$817,000 in funding as part of the Safe Streets Pilot Program to six projects.

The City of Salinas was awarded \$152,000 for the East Rossi Street Safe Streets Project. A full listing of the projects awarded through the Safe Streets Pilot Program is attached.

Funding for the Safe Streets Pilot Program comes from the Regional Surface Transportation Program funds that the Agency's Board of Directors set aside as the TAMC Reserve for Complete Street implementation. Use of these funds are conditioned on the terms covered in the November 4, 2014 Local Agency Funding Allocation Agreement between the City and TAMC. An updated Exhibit A, reflecting the \$152,000 grant award for the East Rossi Street Safe Streets Project is attached.

We look forward to working together to further develop the connection between roadway maintenance and low-cost safety enhancements for bicyclists and pedestrians.

If you have any questions, please contact Madilyn Jacobsen of my staff at madilyn@tamcmonterey.org or (831) 775-4402.

Sincerely,
