Subject: Immediate work request

- The SPD Homeless Outreach Team will be moving into [23 East Lake Street](#) next week and I am requesting PW to assist in preparing the property area for police services.
 - Paint the complete cul-de-sac of Bridge Street curb red. The cul-de-sac is located between 23 East lake and the property of 109 East Lake.
 - Place 4 poles and signage that states parking permitted only for police and emergency vehicles on the cul-de-sac of Bridge Street.
 - Paint the curb green from the corner of Bridge Street and East Lake street to front of 19 East Lake. (20 min. parking).
 - Paint the curb green from the corner of Bridge Street and East Lake street to the front of [115 East Lake Street](#) (Health Center) (20 min. parking)
 - Paint the curb red to prevent parking in front of a fire hydrant in front of [115 East Lake Street](#) (Health Center). I request to expedite this work to prevent narcotics sales, prostitution and quality of life issues in China Town.
- We will follow up with Traffic and Transportation Commission.

Thank you.
