- 8.2. Future Delivery and Repricing.** Honeywell will schedule delivery in accordance with its standard lead times unless the Order states a later delivery date or the parties otherwise agree in writing. Honeywell will accept Orders with a future ship date of up to eighteen (18) months from the date of the entry of the Order. Customer agrees that in the event an Order is scheduled to be delivered more than six (6) months from the date of the entry of the Order, Honeywell may, in its sole determination and at each six (6) month anniversary of the date of the entry of the Order, adjust the pricing of the Order to conform to the then-current prices of the Honeywell Products included in the Order. This limited warranty does not cover defects caused by normal wear and tear or maintenance. - 9.2. Product Defects.** If a Defect with a Product arises and a valid claim is made within the Warranty Period, Customer shall initiate the RMA process as described below. Upon approval, Honeywell at its option, will either (1) repair the Product defect at no charge, using new parts or parts equivalent to new in performance and reliability or (2) exchange the Product with a Product that is new or equivalent to new in performance and reliability and is at least functionally equivalent to the original Product. Any replacement Product or part, including a user-installable part that has been installed in accordance with instructions provided by Honeywell, shall remain under warranty during the Warranty Period or for ninety (90) days from the date of repair, whichever is longer. When a Product or part is exchanged, any replacement item becomes the Customer's property and the replaced item becomes the property of Honeywell. Parts provided by Honeywell in fulfillment of its warranty obligation must be used in the same Honeywell Fire Station Alerting System for which the warranty claim is made.
- 9.3. Procedure for Warranty Claims.**
- 9.3.1.** Prior to making a Warranty claim, Customer is encouraged to review Honeywell's online help resources. Thereafter, to make a valid claim hereunder, Customer must contact Honeywell technical support and describe the problem or defect with specificity. The first such contact must occur during the Warranty Period. Honeywell's technical support contact information can be found on Honeywell's web site at <https://buildings.honeywell.com/us/en/brands/our-brands/usdd>. Customer must use its best efforts to assist in diagnosing defects, follow Honeywell's technical instructions, and fully cooperate in the diagnostic process. Failure to do so shall relieve Honeywell of any further obligation hereunder.
- 9.3.2.** If a defect with the Hardware arises and Customer makes a valid Support Service Request within the Warranty Period, Customer shall initiate the RMA process as described below. Upon approval, Honeywell will cause shipment of a replacement Hardware component to Customer prior to the defective Hardware component being returned to Honeywell for repair. The replacement Hardware will be new or equivalent to new in performance and reliability and at least functionally equivalent to the original Hardware. When Hardware is exchanged, any replacement item becomes the Customer's property and the replaced item becomes the property of Honeywell. Replaced Hardware provided by Honeywell in fulfillment of the Support Services must be used in the System to which this Agreement applies.

9.4. Return Material Authorization Process. If a Customer makes a claim for an advanced replacement of a Hardware component during the Warranty Period, Customer must initiate an RMA request. As part of this RMA process, the Customer shall provide Honeywell with the Hardware, model, serial number, and a description of the Hardware's failure to initiate the RMA process. Upon Honeywell's issuance of the RMA, Honeywell will send the replacement Hardware, shipped postage paid, ground shipping, to the address provided by Customer. RMA requests approved between 12:00 a.m. and 2:00 p.m. Mountain Standard Time are shipped on the same business day. After 2:00 p.m. Mountain Standard Time, the replacement Hardware will be shipped on the next business day. All RMA requests are processed on the business day on which the request was received, excluding holidays. Included with the shipped package will be return shipment instructions and a pre-paid return shipping label for the Hardware that the Customer is returning. The original Hardware must be returned in the shipping box provided by Honeywell. No goods will be accepted for exchange or return without a pre-approved RMA number, nor will goods which have not been properly packaged in Honeywell's shipping box, as proper packaging ensures that goods are not damaged during the shipping process. The original Hardware must be shipped back within 10 days of receiving the replacement Hardware. Failure to return the original Hardware or failure to return the original Hardware in an appropriate manner will cause Customer to incur a replacement charge equal to full market value of the replacement Hardware.

9.5. No Fault Found. Customer understands that this fee is intended to discourage return of Products prior to proper troubleshooting or return because the product is "old." Product returns will not be allowed if, upon examination of the returned Product, it is determined that the Product was subjected to accident, misuse, neglect, alteration, improper installation, unauthorized repair, improper testing, or poor packaging upon return. In such event, Honeywell shall invoice Customer for the full market value of the replacement Product.

If a Force Majeure Event results in a delay, then the date of performance will be extended by the period of time that the non-performing party is actually delayed or for any other period as the parties may agree in writing. In the event that a Force Majeure Event is ongoing for a period of time which is sixty (60) days or longer, Honeywell may provide notice to Customer that it is cancelling its Order.

19. **ACCEPTANCE OF TERMS.** This proposal shall become a binding contract between the Customer and Honeywell when accepted in writing by the Customer. Without limiting the foregoing, issuance by Customer of a purchase order to Honeywell for any of the goods or services herein described shall constitute acceptance.
20. **SEVERABILITY.** In the event any provision or portion of a provision herein is determined to be illegal, invalid, or unenforceable, the validity and enforceability of the remaining provisions shall not be affected and, in lieu of such provision, a provision as similar in terms as may be legal, valid, and enforceable shall be added hereto.
21. **WAIVER.** The failure of either party to insist upon strict performance of any provision of these Terms and Conditions, or to exercise any right provided for herein, shall not be deemed to be a waiver for the future of such provision or right, and no waiver of any provision or right shall affect the right of the waiving party to enforce any provision or right herein.

Customer agrees to not remove, obscure, or alter Honeywell's or any third party's copyright notice, trademarks, or other proprietary rights notices affixed to or contained within or accessed in conjunction with or through Flex Alert. Nothing herein shall be deemed to give, transfer, or convey to Customer any rights in the Intellectual Property other than the license to use Flex Alert and all related equipment and software as set forth in this Agreement.

9.

LIMITED WARRANTY. CUSTOMER'S EXCLUSIVE REMEDIES AND HONEYWELL'S SOLE LIABILITY AS TO ANY WARRANTY CLAIM ON FLEX ALERT IS SET FORTH IN THIS SECTION. SUCH REMEDIES ARE IN LIEU OF ANY OTHER LIABILITY OR OBLIGATION OF HONEYWELL, INCLUDING WITHOUT LIMITATION ANY LIABILITY OR OBLIGATION FOR DAMAGE, LOSS, OR INJURY (WHETHER DIRECT, INDIRECT, EXEMPLARY, SPECIAL, CONSEQUENTIAL, PUNITIVE OR INCIDENTAL) ARISING OUT OF OR IN CONNECTION WITH THE DELIVERY, USE, OR PERFORMANCE OF FLEX ALERT. CREDIT, REPAIR OR REPLACEMENT (AT HONEYWELL'S OPTION) IS THE SOLE REMEDY PROVIDED HEREUNDER. NO EXTENSION OF THIS WARRANTY WILL BE BINDING UPON USDD UNLESS SET FORTH IN WRITING AND SIGNED BY A HONEYWELL AUTHORIZED REPRESENTATIVE.

10.

Warranty Terms. Subject to the terms, conditions and limitations contained herein, and unless Honeywell has otherwise provided an alternative written warranty (in which case the terms of such warranty will control), USDD

a. warrants and guarantees its products will be free from defects in workmanship and materials (collectively, "Defects") for 12 months from the date of shipment to Customer ("Warranty Period"). This limited warranty does not cover defects caused by normal wear and tear or maintenance.

Defects. If a Defect with Flex Alert Module arises and a valid claim is made within the Warranty Period, Customer shall initiate the RMA process as described below. Upon approval, Honeywell, at its option, will either (1) repair the Flex Alert Module defect at no charge, using new parts or parts equivalent to new in performance and reliability or (2) exchange the Flex Alert Module with a Flex Alert Module that is new or equivalent to new in

- b. performance and reliability and is at least functionally equivalent to the original Flex Alert Module. Any replacement Module, including a user-installable part that has been installed in accordance with instructions provided by Honeywell shall remain under warranty during the Warranty Period or for ninety (90) days from the date of repair, whichever is longer. When a Flex Alert Module or part is exchanged, any replacement item becomes the Customer's property and the replaced item becomes the property of Honeywell.

Claims. Prior to making a Warranty claim or requesting support services, Customer is encouraged to review Honeywell's online help resources. Thereafter, to make a valid claim hereunder, Customer must contact Honeywell technical support and describe the problem or defect with specificity. The first such contact must

- c. occur during the Warranty Period. Honeywell's technical support contact information can be found on Honeywell's web site at <http://stationalerting.com/service-support/>. Customer must use its best efforts to assist in diagnosing defects, follow Honeywell's technical instructions, and fully cooperate in the diagnostic process. Failure to do so shall relieve Honeywell of any further obligation hereunder.

Return Material Authorization Process. If a Customer makes a claim for an advanced replacement of Flex Alert Module during the Warranty Period, Customer must initiate an RMA request. As part of this RMA process, the Customer shall provide Honeywell with the Module's serial number, and a description of the Module's failure to initiate the RMA process. Upon Honeywell's issuance of the RMA, Honeywell will send the replacement Flex Alert Module, shipped postage paid, ground shipping, to the address provided by Customer. RMA requests approved between 12:00 a.m. and 2:00 p.m. Mountain Standard Time are shipped on the same business day. After 2:00 p.m. Mountain Standard Time, the replacement Hardware will be shipped on the next business day. All RMA

- d. requests are processed on the business day on which the request was received, excluding holidays. Included with the shipped package will be return shipment instructions and a pre-paid return shipping label for the Flex Alert Device that the Customer is returning. The original Flex Alert Device must be returned in the shipping box provided by Honeywell. No goods will be accepted for exchange or return without a pre-approved RMA number, nor will goods which have not been properly packaged in Honeywell's shipping box, as proper packaging ensures that goods are not damaged during the shipping process. The original Flex Alert Device must be shipped back within 10 days of receiving the replacement Device. Failure to return the original Module or failure to return the original Module in an appropriate manner will cause Customer to incur a replacement charge equal to full market value of the replacement Module.

Honeywell reserves the right to charge 50% of the standard repair price if the returned Flex Alert Module is found to have no defect under the Warranty. Customer understands that this fee is intended to discourage return of Modules prior to proper troubleshooting or because the Module is "old." Flex

- e. Alert Module returns will not be allowed if, upon examination of the returned Module, it is determined that the Module was subjected to accident, misuse, neglect, alteration, improper installation, unauthorized repair, or improper testing. In such event, Honeywell shall invoice Customer for the full market value of the replacement Flex Alert Module.

Use of Flex Alert / Risk of Loss. Customer shall operate Flex Alert according to Honeywell's specifications and documented instructions. Customer agrees not make changes or alterations to the Flex Alert module(s) subject to this Agreement without the prior written consent of Honeywell. Customer assumes risks and liabilities directly related to loss, theft, damage, or destruction to the Flex Alert module. No loss, theft, damage, or destruction of the Flex Alert module shall relieve Customer of the obligation to pay the Subscription Fee or any other obligation under this Agreement. In the event the Flex Alert module is lost, stolen, damaged or destroyed, Honeywell shall replace the lost, stolen, damaged or destroyed Equipment. Customer agrees to pay Honeywell's list price for the replacement Equipment then in effect at the time of the replacement.

11.

Limitations to Support Services. Honeywell does not warrant that the operation of the Flex Alert will be uninterrupted or error-free. Honeywell's Support does not create any additional warranties, nor does it apply to any equipment, hardware, or peripherals not included in the Quote. Specifically, Support expressly excludes: (1) any repair, software installation, update, or other service that is necessitated by the Customer's misuse or neglect of the Flex Alert Module; (2) damage arising from Customer's failure to follow instructions relating to Flex Alert's use or damage caused by operating Flex Alert outside the permitted or intended uses described by USDD; (3) cosmetic damage, including but not limited to scratches, dents and broken plastic on ports, consumable parts, such as batteries, unless damage has occurred due to a defect in materials or workmanship; (4) alterations or repairs to the Flex Alert Module made by any person other than an authorized USDD representative; (5) damage or failure caused by installation or service (including upgrades and expansions) performed by anyone who is not a representative of Honeywell or service provider otherwise authorized by USDD; (6) failure of environmental controls or improper environmental conditions; (7) modification to alter functionality or capability without the written permission of Honeywell; (8) any damage caused by fire, flood, vandalism, terrorism, riot, storm, lightning, or other acts of nature or civil unrest. Honeywell shall not be liable to provide Support at any time when Customer is in breach of any obligation to USDD under this Agreement.

12.

Warranty Disclaimer. TO THE EXTENT PERMITTED BY LAW, THIS AGREEMENT AND THE REMEDIES SET FORTH ABOVE ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, REMEDIES AND CONDITIONS, WHETHER ORAL OR WRITTEN, STATUTORY, EXPRESS, OR IMPLIED. AS PERMITTED BY APPLICABLE LAW, USDD SPECIFICALLY DISCLAIMS ANY AND ALL STATUTORY OR IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND WARRANTIES AGAINST HIDDEN OR LATENT DEFECTS. If Honeywell cannot lawfully disclaim statutory or implied warranties then to the extent permitted by law, all such warranties shall be limited in duration to the duration of this express warranty and to repair or replacement service as determined by USDD in its sole discretion. If any term is held to be illegal or unenforceable, the legality or enforceability of the remaining terms shall not be affected or impaired.

13.

Limitation of Liability. EXCEPT AS PROVIDED IN THIS AGREEMENT AND TO THE EXTENT PERMITTED BY LAW, HONEYWELL IS NOT RESPONSIBLE FOR DIRECT, SPECIAL, INCIDENTAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES RESULTING FROM ANY BREACH OF THIS AGREEMENT OR UNDER ANY OTHER LEGAL THEORY, INCLUDING BUT NOT LIMITED TO: LOSS OF USE; LOSS OF REVENUE; LOSS OF THE USE OF MONEY; LOSS OF ANTICIPATED SAVINGS; LOSS OF GOODWILL; LOSS OF REPUTATION; AND LOSS OF, DAMAGE TO OR CORRUPTION OF DATA. USDD IS NOT RESPONSIBLE FOR ANY INDIRECT LOSS OR DAMAGE HOWSOEVER CAUSED, INCLUDING THE REPLACEMENT OF EQUIPMENT AND PROPERTY, ANY COSTS OF RECOVERING PROGRAMMING OR REPRODUCING ANY PROGRAM OR DATA STORED OR USED WITH USDD PRODUCTS, AND ANY FAILURE TO MAINTAIN THE CONFIDENTIALITY OF DATA STORED ON USDD'S AGGREGATE LIABILITY IN CONNECTION WITH THIS AGREEMENT SHALL NOT EXCEED THE LESSER OF THE AGGREGATE AMOUNTS PAID BY CUSTOMER TO HONEYWELL UNDER THIS AGREEMENT. CUSTOMER SHALL NOT BRING A LEGAL OR EQUITABLE ACTION AGAINST HONEYWELL MORE THAN ONE YEAR AFTER THE FIRST EVENT GIVING RISE TO A CAUSE OF ACTION, UNLESS A SHORTER LIMITATIONS PERIOD IS PROVIDED BY APPLICABLE LAW. Honeywell disclaims any representation that it will be able to repair any flex Alert Module under this Agreement or make a product exchange without risk to or loss of the programs or Customer data stored thereon.

14.

15. **Assignment.**

Customer may not assign or transfer any of its subscription rights and interest under this Agreement to another fire, rescue, EMT, dispatch agency, or any other person, company, or government entity ("Assignee") absent Honeywell's written consent, along with Honeywell's determination, in its sole discretion, that Assignee has sufficient infrastructure and financial means to perform under this Agreement. Assignee shall not have any right to extend or modify the Term or payment options provided hereunder. Assignee shall accept in writing to be bound to all the terms and conditions of

- 17. Force Majeure.** Except for Customer's duty to pay sums due hereunder, neither Party will be liable to the other for any failure to meet its obligations due to any Force Majeure Event. As used herein, a "Force Majeure Event" is one that is beyond the reasonable control of the non-performing Party and may include, but is not limited to: (a) delays or refusals to grant an export license or the suspension or revocation thereof; (b) embargoes, blockages, seizure or freeze of assets, or any other acts of any government that would limit a Party's ability to perform the Contract; (c) fires, earthquakes, floods, tropical storms, hurricanes, tornadoes, severe weather conditions, or any other acts of God; (d) quarantines, pandemics, or regional medical crises; (e) labor strikes, lockouts, or pandemic worker shortages; (f) riots, strife, insurrection, civil disobedience, landowner disturbances, armed conflict, terrorism or war, declared or not (or impending threat of any of the foregoing, if such threat might reasonably be expected to cause injury to people or property); and (g) shortages or inability to obtain materials or components. In the event that a Force Majeure Event is ongoing for a period of time which is sixty (60) days or longer, Honeywell may provide notice to Customer that it is cancelling this Agreement.

Dispute Resolution/Arbitration. Before the Parties initiate any dispute resolution process related to this Agreement, other than for injunctive relief, the Parties must schedule a mandatory executive resolution conference to be held within thirty (30) days of receipt of the other Party's written request. The conference must be attended by at least one executive from each Party. At the conference, each Party will present its view of the dispute in detail and the executives will enter into good faith negotiations in an attempt to resolve the dispute. If the dispute is not resolved within fifteen (15) days of the end of the conference or if one Party refuses to attend the executive resolution conference, then the Parties further agree that any remaining dispute between them arising out of or relating to this Agreement, other than claims related to Honeywell's Intellectual Property rights (or those of any of its licensors, affiliates and partners), will be settled by arbitration administered by the American Arbitration Association under its Commercial Arbitration Rules, to the extent such rules are no inconsistent with this Section, in the AAA's regional Phoenix office and by single arbitrator. Discovery may be conducted either upon mutual consent of the Parties, or by order of the arbitrator upon good cause being shown. The arbitrator shall permit dispositive motions and issue a written decision sufficient to explain the essential findings and conclusions and may award damages. Any award rendered by the arbitrator will be final and binding upon the Parties, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof. The Parties hereto expressly and irrevocably consent to the jurisdiction of the Maricopa County Superior Court of Arizona for such purpose. In the event a dispute is submitted to arbitration pursuant to this Section, the prevailing Party shall be entitled to the payment of its reasonable attorneys' fees and costs, including expert witness fees and costs, as determined by the arbitrator. Each of the Parties shall keep all disputes and arbitration proceedings strictly confidential, except for disclosures of information required by applicable law or regulation.
