

# Errata Sheet to the Public Review Draft of the Chinatown Revitalization Plan

## Introduction and Content

After the Public Review Draft of the Chinatown Revitalization Plan was circulated on November 27<sup>th</sup>, staff continued to make minor modifications to clarify language and fix grammatical errors. These revisions did not change the intent or content of the document and therefore are not specifically outlined in the Errata Sheet.

The only substantive addition is identified below in Table 1. This action item under Table 1 was added to the Draft Chinatown Revitalization Plan between the public release date, November 27, 2019, and City Council date. This action item was added to reflect the focus of using HUD, HCD, and local funding to expand housing opportunities and services to reduce homelessness in Chinatown. Efforts that are already taking place now.
