Implementation

What the Salinas Fire Department has implemented

- ▶ Recently completed a contract for a Community Risk Assessment and Standards of Coverage
- ▶ Conducting meetings with a local health care facility to identify potential community health care opportunities
- ▶ Finalizing a response plan that does the following
 - ▶ Reduces the number of calls for service
 - ▶ Institutes a response plan that sends fewer units
 - ▶ Implements a response plan where some calls are non-emergency
 - ▶ Allows more unit hours available for Target Hazard Planning

What the Salinas Fire Department has implemented

- ▶ Held meetings with Monterey County Communications to discuss Dispatch Center Operations
- ▶ Holding meetings with Medical Transport Partners to discuss response policies and potential partnerships
- ▶ SFD is conducting a Firefighter Recruit Academy beginning January 2019 for 10 new Firefighters that will be approximately 8 weeks shorter than previous academies
- ▶ SFD is over hiring by 3 to provide relief factor and reduced OT
