

CITY OF SALINAS COUNCIL STAFF REPORT

DATE: SEPTEMBER 21, 2021

DEPARTMENT: PUBLIC WORKS DEPARTMENT

FROM: DAVID JACOBS, PUBIC WORKS DIRECTOR

BY: ANDREW EASTERLING, TRAFFIC ENGINEER

TITLE: REMOVAL OF UNCONTROLLED MARKED CROSSWALK
ABBOTT STREET AND CHAMBERLAIN STREET

RECOMMENDED MOTION:

A motion approving a Resolution for the removal of the uncontrolled marked crosswalks at the intersection Abbott Street and Chamberlain Street.

RECOMMENDATION:

Staff recommends City Council approve a Resolution for the removal of the uncontrolled marked crosswalks at the intersection Abbott Street and Chamberlain Street.

BACKGROUND:

The City of Salinas adopted Crosswalk Policy Guidelines (Attachment 2) to prescribe a formal and transparent process for consideration of marked crosswalks. It provides information to be used when making decisions about where standard crosswalk can be marked; where crosswalks with special treatments, such as high-visibility crosswalks, flashing beacons and other special features, should be employed; and where crosswalks will not be marked due to safety concerns resulting from volume, speed, or sight distance issues.

The planned development project located on Abbott Street at Alameda Avenue is installing frontage improvements including curb, gutter, sidewalk, and landscaping. The existing pedestrian ramp across from Chamberlain Street will be removed and replaced with a standard curb, gutter and sidewalk. The marked crosswalk is located less than 300 feet away from the marked crosswalk at Alameda Avenue and does not meet the City's policy. Therefore, staff is recommending the marked crosswalk at Abbott Street at Chamberlain Street be removed.

Consistent with California Vehicle Code Policy, a 30-day notice was posted at the crosswalk indicating the consideration for removal.

TRAFFIC AND TRANSPORTATION CONSIDERATION:

At its September 9, 2021 meeting, the Traffic and Transportation Commission voted 6-0 to recommend that City Council approve a Resolution for the removal of the uncontrolled marked crosswalks at the intersection Abbott Street and Chamberlain Street.

CEQA CONSIDERATION:

Removal of an uncontrolled marked crosswalk on City street is exempt under CEQA 15301, Class 1(c) since the actions consists of operation and minor alteration of an existing City street.

STRATEGIC PLAN INITIATIVE:

This action supports the Council's initiative of Public Safety.

FISCAL AND SUSTAINABILITY IMPACT:

There is no cost to remove the uncontrolled marked crosswalk on at Abbott St and Chamberlain Street. The removal will occur during pavement project and when the roadway is restriped the crosswalk will not be replaced (Attachment 3).
