**Re:** El Dorado Park Improvement Project

Kathy,

As discussed yesterday, we discovered a clerical error in our bid for the above referenced project.

The error involves base bid item 2 (AC patch) where our bid clerk inadvertently entered \$4.85/SF for the line item versus the intended price of \$14.85/SF. Based on the clerical nature of this error and its magnitude relative to our total bid price, we must regretfully request relief from our bid. If required, we can make available our records to determine the legitimacy of this claim.

We are sorry for this inconvenience.

Please call me at 831-277-6112 if you have any questions.
