

## El Gabilan Tot-Lot Neighborhood Engagement Results

### Comments:

From survey: *Do you have any concerns or ideas you would like to share regarding the park and proposed improvements?*

- It would be great if our playground gets improve as well. Our kids would be Excited (swings, bigger slide)
- Modify the playground we will Love to see improvement in our community parks
- Soccer field
- I just want to comment that it is a good idea to remodel the park because the majority of the park area does not have use
- There should be swings. It should be a space free of drugs.
- Cars block the entrance
- The best proposed improvement to this park will be the multi-use area or the small soccer turf field. I've been growing up in this neighborhood and my childhood was in this park playing soccer with all my near neighbors from sun rise to sun set. We've been waiting for a place to play soccer and recreate the moments we had growing up with the long hours of soccer. It would most definitely benefit all of us whom live near this park and will be happy to see people use it productively.
- Security guard
- We need a cop
- Maybe put something to cover the sun for when it's hot
- Smooth out the concrete
- I believe you guys should add swings and make the ground more solid not bumpy because it's hard to use when you have skates.
- I think you should fix the park floor because it has seen better days.
- The asphalt area is very bad. The play structure should be poured in place cushion under it.

## El Gabilan Tot-Lot Neighborhood Engagement Results

- It would be great to have lights for the winter months and have some sort of reservation system to avoid overcrowding and arguments.
- Would love a tennis court and new swings as well
- Tennis court
- I would love to see a Soccer/ basketball court
- You should add a dog park
- Maybe add some swings to one side and one for a baby. Or add a medal merry-go round!!!
- Add more swings
- Add a volleyball court
- More tables and benches needed
- A volleyball court

### *Pop-ups:*

- Needs more lighting
- Needs a fence so balls don't get thrown out of the park
- Needs bathrooms
- Will multi-use court area properly fit in the allowed area? Will it touch the street or playground?
- Park should try to cater to as many people and interests as possible
- Should include sports programs/leagues targeted to youth
- Needs bulletin board to post opportunities for kids, community, local organizations, announcements
- All parks need a bulletin board
- Any options would be great, just as long as it's a safe space for children in that community
