

**CITY OF SALINAS
COUNCIL STAFF REPORT**

DATE: FEBRUARY 6, 2024
DEPARTMENT: PUBLIC WORKS, FLEET MAINTENANCE DIVISION
FROM: DAVID JACOBS, PUBLIC WORKS DIRECTOR
BY: TERRY MILLEMAN, FLEET MANAGER
TITLE: SURPLUS VEHICLES AND EQUIPMENT FOR DISPOSAL

RECOMMENDED MOTION:

A motion to approve a resolution pursuant to Salinas Municipal Code section 12-15 declaring vehicles and equipment surplus and authorizing their disposal.

EXECUTIVE SUMMARY:

City Council is authorized pursuant to Salinas Municipal Code Section 12-15 to declare City vehicles and equipment no longer suitable for public use as surplus and to authorize their disposal through contracted auction services.

BACKGROUND:

City Council is authorized pursuant to Salinas Municipal Code Section 12-15 to declare City vehicles and equipment no longer suitable for public use as surplus and to authorize their disposal through contracted auction services. Following here, and attached to the resolution, is a list of vehicles and equipment that are recommended for disposal or auction:

<u>Year</u>	<u>QTY</u>	<u>Make</u>	<u>Model</u>	<u>Vin/Serial</u>	<u>Auction/Scrap</u>	<u>Unit #</u>

2015	1	FORD	EXPLORER	1FM5K8AR0FGC67226	SCRAP	POL 392
1997	1	Stertil koni	ST-1072 lift	TH52628	AUCTION	

There are six vehicles listed to be disposed of as scrap. These vehicles were deemed salvage by the insurer. Parts will be removed and there is no value left. We will remove the powertrains and any other valuable components. In doing this, we estimate to have approximately six to seven thousand dollars in parts that we will likely use on future repairs. We will take these vehicles and get scrap value for the chassis and receive a certificate of destruction. Any items that do not sell through the auction process shall be scrapped.

The other vehicles identified have been previously replaced. The vehicle lift is passed its life expectancy and has electrical issues. The assets will be listed and sold on GovDeals.com or scrapped by A&S Metals.

CEQA CONSIDERATION:

Not a Project. The City of Salinas has determined that the proposed action is not a project as defined by the California Environmental Quality Act (CEQA) (CEQA Guidelines Section 15378).

DEPARTMENT COORDINATION:

Disposal of surplus property requires staff time from Finance Purchasing Division, Police Department Vehicle Maintenance and Administration Divisions, Fire Department Vehicle Maintenance and Public Works Vehicle Maintenance Division.

Vehicle maintenance personnel must remove City equipment and decals from the vehicles. Public Works Vehicle Maintenance Division makes minor repairs on the vehicles to get them operational for better sale value. Fleet Maintenance coordinates and lists the sale with the auction companies.

STRATEGIC PLAN INITIATIVE:

Disposing of vehicles and equipment not suitable for City use supports City Council goals of “Effective and Culturally Responsive Government”.

FISCAL AND SUSTAINABILITY IMPACT:

The sale of the identified surplus is expected to generate approximately \$5,000 to \$10,000 in revenue.
