- i) the land within the District will receive special benefit by the operation, maintenance, and servicing of improvements located in public places within the boundaries of the District; and,
- ii) the District includes all of the lands so benefited; and,
- iii) the net amount to be assessed upon the lands within the District in accordance with the fee for the Fiscal Year commencing July 1, 2022 and ending June 30, 2023 is apportioned by a formula and method which fairly distributes the net amount among all eligible parcels in proportion to the estimated benefits to be received by each parcel from the improvements and services.

Section 3. The Report and assessments as presented to the City Council and on file in the Office of the City Engineer are hereby confirmed as filed.

Section 4. The maintenance, operation, and servicing of the improvements and appurtenant facilities shall be performed pursuant to the Act. The City Council hereby orders proposed improvements to be made pursuant to the Report, which also describes all new improvements or substantial changes in existing improvements.

Section 5. The County Auditor of the County of Monterey shall enter on the County Assessment Roll opposite each eligible parcel of land the amount of levy so apportioned by the formula and method outlined in the Report, and such levies shall be collected at the same time and in the same manner as the County taxes are collected pursuant to *Chapter 4, Article 2, Section 22646* of the Act.
