Good morning,

The hours for Wednesday or Friday market are from 1-3PM for set up and 10 to 11:30PM for picking up. Market is open to the public from 3 to 10PM.

Sunday Market will be open to vendors from 6:30 to 9AM for set up and 4 to 6PM for picking up. The market will be open to the public from 9AM to 4PM.

Non food vendors usually take less than an hour to set up or pick up, the food vendors are the ones that need extra time for food prep and clean up at the end.

If you need additional information please let me know

Thank you,
