At the time of filing an application for a license, an applicant for an original on-sale general license for seasonal business shall accompany the application with a fee as determined by the department pursuant to subdivision (b) of this section. An applicant for an original on-sale beer and wine license shall accompany the application with a fee of three hundred dollars (\$300). An applicant for an original on-sale beer license shall accompany the application with a fee of two hundred dollars (\$200). An applicant for an original off-sale general license shall, at the time of filing the application for the license, accompany the application with a fee as determined by the department pursuant to subdivision (b) of this section. An applicant for an original off-sale beer and wine license or an original license not specified in this section, shall accompany the application with a fee of one hundred dollars (\$100).

"Original on-sale general license," "original on-sale general license for seasonal business," "original on-sale beer and wine license," "original on-sale beer license," "original off-sale general license," and "original off-sale beer and wine license," as used in this division, do not include a license issued upon renewal or transfer of a license.

(b) The fee for an original on-sale general license or an original off-sale general license shall be thirteen thousand eight hundred dollars (\$13,800). Beginning January 1, 2011, and each January thereafter, the department may adjust this fee as provided in subdivisions (c) and (d) of Section 23320.

(c) All money collected from the fees provided for in this section shall be in the Alcohol Beverage Control Fund as provided in Section 25761.

(Amended by Stats. 2010, Ch. 719, Sec. 6. Effective October 19, 2010.)

23954.6. As used in Section 23954.5, "original onsale general license" includes an original special onsale general license; provided, that the fee prescribed in Section 23954.5 shall not be required in connection with the exchange of an onsale general license for a special onsale general license, or for the exchange of a special onsale general license for an onsale general license.

(Amended by Stats. 1963, Ch. 785.)

23954.7. An applicant for an original on-sale general bona fide public eating place intermittent dockside license for vessels of more than 7,000 tons displacement shall, at the time of filing the application for the license, accompany the application with a fee of two thousand dollars (\$2,000), but such fee shall not be payable upon the renewal or transfer of such license.

(Amended by Stats. 1985, Ch. 519, Sec. 4.)

23955. Any applicant for a wine grower's license shall, at the time of filing application for license, accompany the application with a license fee based upon a reasonable estimate of the amount of wine gallonage to be produced by the applicant.

(Added by Stats. 1953, Ch. 152.)

23956. Any applicant for an offsale general license shall, at the time of filing application for such license, accompany the application with the minimum license fee required or such larger fee as the applicant elects.

(Amended by Stats. 1963, Ch. 1040.)

23957. Applications for licenses for the retail sale of alcoholic beverages for premises which are to be constructed or which are in the process of construction shall contain the information required by this article and such other information concerning the proposed premises as the department may require to assist it in determining whether the proposed premises will qualify for a license.

(Amended by Stats. 1979, Ch. 373.)

23958. Upon receipt of an application for a license or for a transfer of a license and the applicable fee, the department shall make a thorough investigation to determine whether the applicant and the premises for which a license is applied qualify for a license and whether the provisions of this division have been complied with, and shall investigate all matters connected therewith which may affect the public welfare and morals. The department shall deny an application for a license or for a transfer of a license if either the applicant or the premises for which a license is applied do not qualify for a license under this division.

The department further shall deny an application for a license if issuance of that license would tend to create a law enforcement problem, or if issuance would result in or add to an undue concentration of licenses, except as provided in Section 23958.4.

(Amended by Stats. 1994, Ch. 630, Sec. 1. Effective January 1, 1995.)

23958.1. Notwithstanding the provisions of Section 23958, the department is not required to investigate the personal qualifications of a licensed beer and wine wholesaler who applies for additional beer and wine wholesaler licenses.

(Added by Stats. 1959, Ch. 1887.)

23958.2. Notwithstanding the provisions of Section 23958, the department is not required to investigate the personal qualifications or premises of a currently licensed person when a license is being transferred between partners and no new partner is being licensed.

(Added by Stats. 1978, Ch. 477.)

23958.4. (a) For purposes of Section 23958, "undue concentration" means the case in which the applicant premises for an original or premises-to-premises transfer of any retail license are located in an area where any of the following conditions exist:

(1) The applicant premises are located in a crime reporting district that has a 20 percent greater number of reported crimes, as defined in subdivision (c), than the average number of reported crimes as determined from all crime reporting districts within the jurisdiction of the local law enforcement agency.

(2) As to on-sale retail license applications, the ratio of on-sale retail licenses to population in the census tract or census division in which the applicant premises are located exceeds the ratio of on-sale retail licenses to population in the county in which the applicant premises are located.

(3) As to off-sale retail license applications, the ratio of off-sale retail licenses to population in the census tract or census division in which the applicant premises are located exceeds the ratio of off-sale retail licenses to population in the county in which the applicant premises are located.

(b) Notwithstanding Section 23958, the department may issue a license as follows:

(1) With respect to a nonretail license, a retail on-sale bona fide eating place license, a retail license issued for a hotel, motel, or other lodging establishment, as defined in subdivision (b) of Section 25503.16, a retail license issued in conjunction with a beer manufacturer's license, or a winegrower's license, if the applicant shows that public convenience or necessity would be served by the issuance.

(2) With respect to any other license, if the local governing body of the area in which the applicant premises are located, or its designated subordinate officer or body, determines within 90 days of notification of a completed application that public convenience or necessity would be served by the issuance. The 90-day period shall commence upon receipt by the local governing body of (A) notification by the department of an application for licensure, or (B) a completed application according to local requirements, if any, whichever is later.

If the local governing body, or its designated subordinate officer or body, does not make a determination within the 90-day period, then the department may issue a license if the applicant shows the department that public convenience or necessity would be served by the issuance. In making its determination, the department shall not attribute any weight to the failure of the local governing body, or its designated subordinate officer or body, to make a determination regarding public convenience or necessity within the 90-day period.

(c) For purposes of this section, the following definitions shall apply:

(1) "Reporting districts" means geographical areas within the boundaries of a single governmental entity (city or the unincorporated area of a county) that are identified by the local law enforcement agency in the compilation and maintenance of statistical information on reported crimes and arrests.

(2) "Reported crimes" means the most recent yearly compilation by the local law enforcement agency of reported offenses of criminal homicide, forcible rape, robbery, aggravated assault, burglary, larceny, theft, and motor vehicle theft, combined with all arrests for other crimes, both felonies and misdemeanors, except traffic citations.

(3) "Population within the census tract or census division" means the population as determined by the most recent United States decennial or special census. The population determination shall not operate to prevent an applicant from establishing that an increase of resident population has occurred within the census tract or census division.

(4) "Population in the county" shall be determined by the annual population estimate for California counties published by the Population Research Unit of the Department of Finance.

(5) "Retail licenses" shall include the following:

(A) Off-sale retail licenses: Type 20 (off-sale beer and wine) and Type 21 (off-sale general).

(B) On-sale retail licenses: All retail on-sale licenses, except Type 43 (on-sale beer and wine for train), Type 44 (on-sale beer and wine for fishing party boat), Type 45 (on-sale beer and wine for boat), Type 46 (on-sale beer and wine for airplane), Type 53 (on-sale general for train and sleeping car), Type 54 (on-sale general for boat), Type 55 (on-sale general for airplane), Type 56 (on-sale general for vessels of more than 1,000 tons burden), and Type 62 (on-sale general bona fide public eating place intermittent dockside license for vessels of more than 15,000 tons displacement).

(6) A "premises-to-premises transfer" refers to each license being separate and distinct, and transferable upon approval of the department.

(d) For purposes of this section, the number of retail licenses in the county shall be established by the department on an annual basis.

(e) The enactment of this section shall not affect any existing rights of any holder of a retail license issued before April 29, 1992, whose premises were destroyed or rendered unusable as a result of the civil disturbances occurring in Los Angeles from April 29 to May 2, 1992, to reopen and operate those licensed premises.

(f) This section shall not apply if the premises have been licensed and operated with the same type license within 90 days of the application.

(Amended by Stats. 2013, Ch. 76, Sec. 6. Effective January 1, 2014.)

23959. If an application is denied or withdrawn, one-fourth of the license fee paid, or not more than one hundred dollars (\$100), shall be deposited in the Alcohol Beverage Control Fund as provided in Section 25761. The balance of this amount shall be credited on any taxes then due from the applicant under Part 14 (commencing with Section 32001) of Division 2 of the Revenue and Taxation Code or the Sales and Use Tax Law, and the remaining portion shall be returned to the applicant.

(Amended by Stats. 1992, Ch. 900, Sec. 12. Effective September 24, 1992.)

23961. (a) If, at the conclusion of the period prescribed by the department for the filing of applications for issuance or transfer of onsale general licenses or offsale general licenses in any county in its notice of intention to receive applications therefor published pursuant to Sections 23821 and 24070, the department finds that there are more applicants for the particular type of license than there are licenses available for issuance or transfer under Sections 23821 and 24070 the department shall, within 60 days following the conclusion of said period, conduct a drawing to determine the priority in which all of such applications filed with it shall be considered. No more than one such drawing shall be made in any county in any one year, and no person will be entitled to more than one opportunity to participate in such a drawing in any county with respect to an application for issuance or transfer of any one type of license. The number drawn by any applicant shall indicate the priority to be given to the consideration of his application but shall not insure the issuance of a license by the department.

(b) If a drawing is not conducted as provided in subdivision (a) of this section, applications for issuance of original onsale general licenses and offsale general licenses in a county or transfer of such licenses into such county shall be made and considered as otherwise provided in this article.

(c) No person shall be qualified to participate in such a drawing unless such applicant is a resident of California for at least 90 days prior to the drawing. Prior to the issuance of any license, pursuant to such a drawing, the applicant shall present proof of such residency status. A corporation incorporated in a state other than California, but registered with the Secretary of State to do business in California for 90 days, shall be deemed to have satisfied the residency requirement for the purpose of this section.

(d) The department shall advertise, in connection with a drawing conducted pursuant to this section, that participation in such a drawing is available only to California residents.

(Amended by Stats. 1977, Ch. 1092.)

23962. Notwithstanding the provisions of subdivision (b) of Section 23961, if at the conclusion of the period prescribed by the department for the filing of applications for issuance or transfer of on-sale general licenses in any county in its notice of intention to receive applications therefor published pursuant to Sections 23821 and 24070, the department finds there are less applicants than there are on-sale general licenses available for issuance or transfer under Sections 23821 and 24070, the department may, within 90 days of the conclusion of the period, publish pursuant to Section 6061 of the Government Code in the county where such new original on-sale general licenses may be issued or into which on-sale general licenses may be transferred, notice of the department's intention to receive applications for the issuance of such new original licenses or for the intercounty transfer of such licenses, setting forth the date, time, manner, and place of acceptance of such applications within the county.
