Re CUP 2022-057

Thomas Wiles,

I'm requesting a 90-day extension to CUP 2022-057 pursuant to Government Code Section 65957 to allow for additional time to process the application. The reason for this request is that I have a previously planned trip out of town that prevents me from attending the currently rescheduled hearing.

Please confirm at your earliest convenience.

Sincerely,

Mark Edwin Norris
