WHEREAS, the Salinas City Council adopts the following findings as the basis for its determination, and that the foregoing recitations are true and correct, and are included herein by reference as findings:

For Rezone 2022-003:

- 1. The amendment is consistent with the Salinas General Plan, any applicable Specific Plan, and other plans and policies adopted by the Salinas City Council.***

The proposed Amendment is consistent with Salinas General Plan Policies. The proposed change of a land use designation for an approximate 8,349 square-foot eastern portion of a 18,880 square-foot lot from “Residential Low Density” to “Retail” is not expected to result in negative impacts or conflicts with surrounding properties, because it would be consistent with the western portion of the project site and allow for uses prescribed by the City’s 2002 General Plan land use designation of Retail.

- 2. The amendment will not have the effect of reversing the policies of the Salinas General Plan, any applicable Specific Plan, and other plans and policies adopted by the Salinas City Council.***

There are no policies within the Salinas General Plan that would be reversed as a result of this amendment. There are no Specific Plans or Precise Plans applicable to the site.

- 3. The amendment would not create an isolated district unrelated to adjacent zoning districts.***

The proposed zoning amendment will not create an unrelated zoning district because the rezoning would extend the boundary of the existing and contiguous Commercial Retail (CR) Zoning District to include the eastern portion of an existing lot located at 2110 North Main Street.

4. *The City has the capability to provide public utilities, roads, and services to serve the uses allowed by the proposed amendment.*

Salinas is an urbanized area and public infrastructure is presently in place to serve most uses. The proposed Rezoning would not create the need for additional infrastructure.

NOW, THEREFORE, THE SALINAS CITY COUNCIL HEREBY ORDAINS AS FOLLOWS:

SECTION 1. The City of Salinas’s Zoning Map, a copy of which is on file with the City Clerk of the City of Salinas and which copy constitutes the original record, is hereby amended to reflect the following:
