### VISTA – AVP Support Team Accomplishments Summary August 2017 to December 2017

#### Healthy Futures VISTA:

- Assisted with Alisal Vibrancy Plan public outreach at Cesar Chavez Library Snow Day.
- Created materials for Alisal Vibrancy Plan Visioning and Community Design workshops. Helped facilitate small-group discussion with residents.
- Co-staffs the Community Health and Safety Working Group, researching best practices and developing meeting agendas with residents.

#### Housing Resources VISTA:

- Led coordination of the Chinatown Block Party, an event that brought together nearly 400 people in a positive celebration of the neighborhood and helped to connect homeless residents with service providers.
- Created flyer highlighting city planning efforts and the utilization of HUD grants.
- Creating and coordinating pilot program with First United Methodist Church, Salinas Public Library, and Interim, Inc. to bring case management and support to Church & Library

#### Small-Business Support VISTA (*started Nov. 2017*):

- Surveyed Alisal business owners to learn more about the resources they need to grow and about how the City can build a better relationship with that community.
- Assisted with public outreach for the Community Design Workshop, including promoting the event at the Cesar Chavez Library Snow Day and canvassing the Alisal with flyers.
- Supports the Economic Development Working Group of the Alisal Vibrancy Plan with research and coordination.

#### Education VISTA:

- Helped recruit over 100 new volunteers for programs at the libraries and other City departments.
- Working on updating volunteer policies and materials across City departments to create a unified and consistent set of practices.
- Collaborated with Mann Packing to develop a park beautification volunteer opportunity for employees.
