**RE: ZONING INFORMATION FOR A COMMERCIAL CANNABIS BUSINESS (CCB) LOCATED AT 240 WEST MARKET STREET IN THE MIXED ARTERIAL FRONTAGE (MAF) ZONING DISTRICT (APN: 002-031-023-000) (ZLTR 2024-010)**

Dear Ms. Fontius:

On May 17, 2024, the Community Development Department received your request for zoning information for the above referenced site in connection with a Commercial Cannabis Business (CCB) located at the above referenced address consisting of the following:

1. Dispensary

The subject site is located in the Mixed Arterial Frontage (MAF) Zoning District (APN: 002-031-023-000). The following provides an overview of the adjacent land uses and zoning districts to the site:

North:	Mixed Arterial Frontage (MAF), Single-Family Dwelling unit and vacant lot
South:	Industrial General Commercial (IGC) and Mixed Arterial Frontage (MAF), Vacant lot and Warehouse
East:	Mixed Arterial Frontage (MAF), Multiple Detached-Dwelling units
West:	Industrial General, Toro Petroleum Company

Zoning Analysis of the proposed CCB.

- 1. Dispensary:** Dispensary, which is most closely defined as Retail Sales per Zoning Code Section 37-10.420, normally would be permissible in the underlying MAF Zoning District with an administrative Site Plan Review. The subject location is located within 1,000 feet of a school (Sacred Heart) as measured parcel to parcel. Per Section 5-07.27(a)(1), no commercial cannabis business may operate within 1,000 feet of a school, college, or university. In addition, the subject location is adjacent to residential uses. Per Section 5-07-27(d) No commercial cannabis business may operate within any residential area or district of the city or adjacent to a residential area or district if, in the opinion of the chief of police or the community development director, the operation of a commercial cannabis business in such location would tend to cause a public nuisance or a situation which may result in repeated police department response or a negative impact on the adjacent residential units.

Analysis of Sensitive Uses.

The CCB must not be within a 600-foot radius of a day care, preschool, private/charter school or school per State Law requirements. The CCB must not also be within 1,000-foot radius of a school (including college or university), private/charter school, preschool, day care, park, church (or other house or worship), library, youth center, alcohol use, card room, retail firearm sales, smoke shop/hookah lounge, and CCB Dispensary as described in S.M.C. Section 5-07.10. Per available records, City staff has determined that the proposed CCB is located within a 600-foot radius or 1,000-foot radius (measured from parcel to parcel) of the following, the distances are as follows:

1. 101 West Market Street, School/Church (950 feet away) Sacred Heart School /Sacred Heart Church
2. 154 West Market Street, off-site alcohol sales (540 feet away) Jimmy's Market
3. 10 New Street, Residential (Adjacent)
4. 224 & 226 West Market Street, Residential (Adjacent)

Note the issuance of a "Zoning Information Letter" does not mean the written evidence of permission given by the City of Salinas or any of its officials to operate a CCB nor does it not mean "permit" within the meaning of the Permit Streamlining Act, nor does it constitute an entitlement under the Zoning or Building Codes, and a regulatory permit for the purpose of regulating a CCB does not constitute a permit that runs with the land on which the CCB is established.

Zoning information may be accessed via the Internet at the following link (look for Chapter 37 Zoning at the bottom left side column):
