"Gateway to the Rodeo"

Oil on canvas

MizGayle Tier

September 28, 2021

"Gateway to the Rodeo" is a custom oil on canvas presented to the City of Salinas by Gayle Tier (MizGayle). The painting symbolizes the incredible connection between the California Rodeo Salinas and the world famous sculpture, Hat in Three Stages of Landing by Claes Oldenbur and Coosje van Bruggen. The piece was commissioned as a gift to the City of Salinas to commemorate the rich history the rodeo holds for much of the time since incorporation. Gayle would like to dedicate this painting to her daughter, Sarah for her encouragement and support for her work.
