Salinas City Council Meeting
February 15, 2022

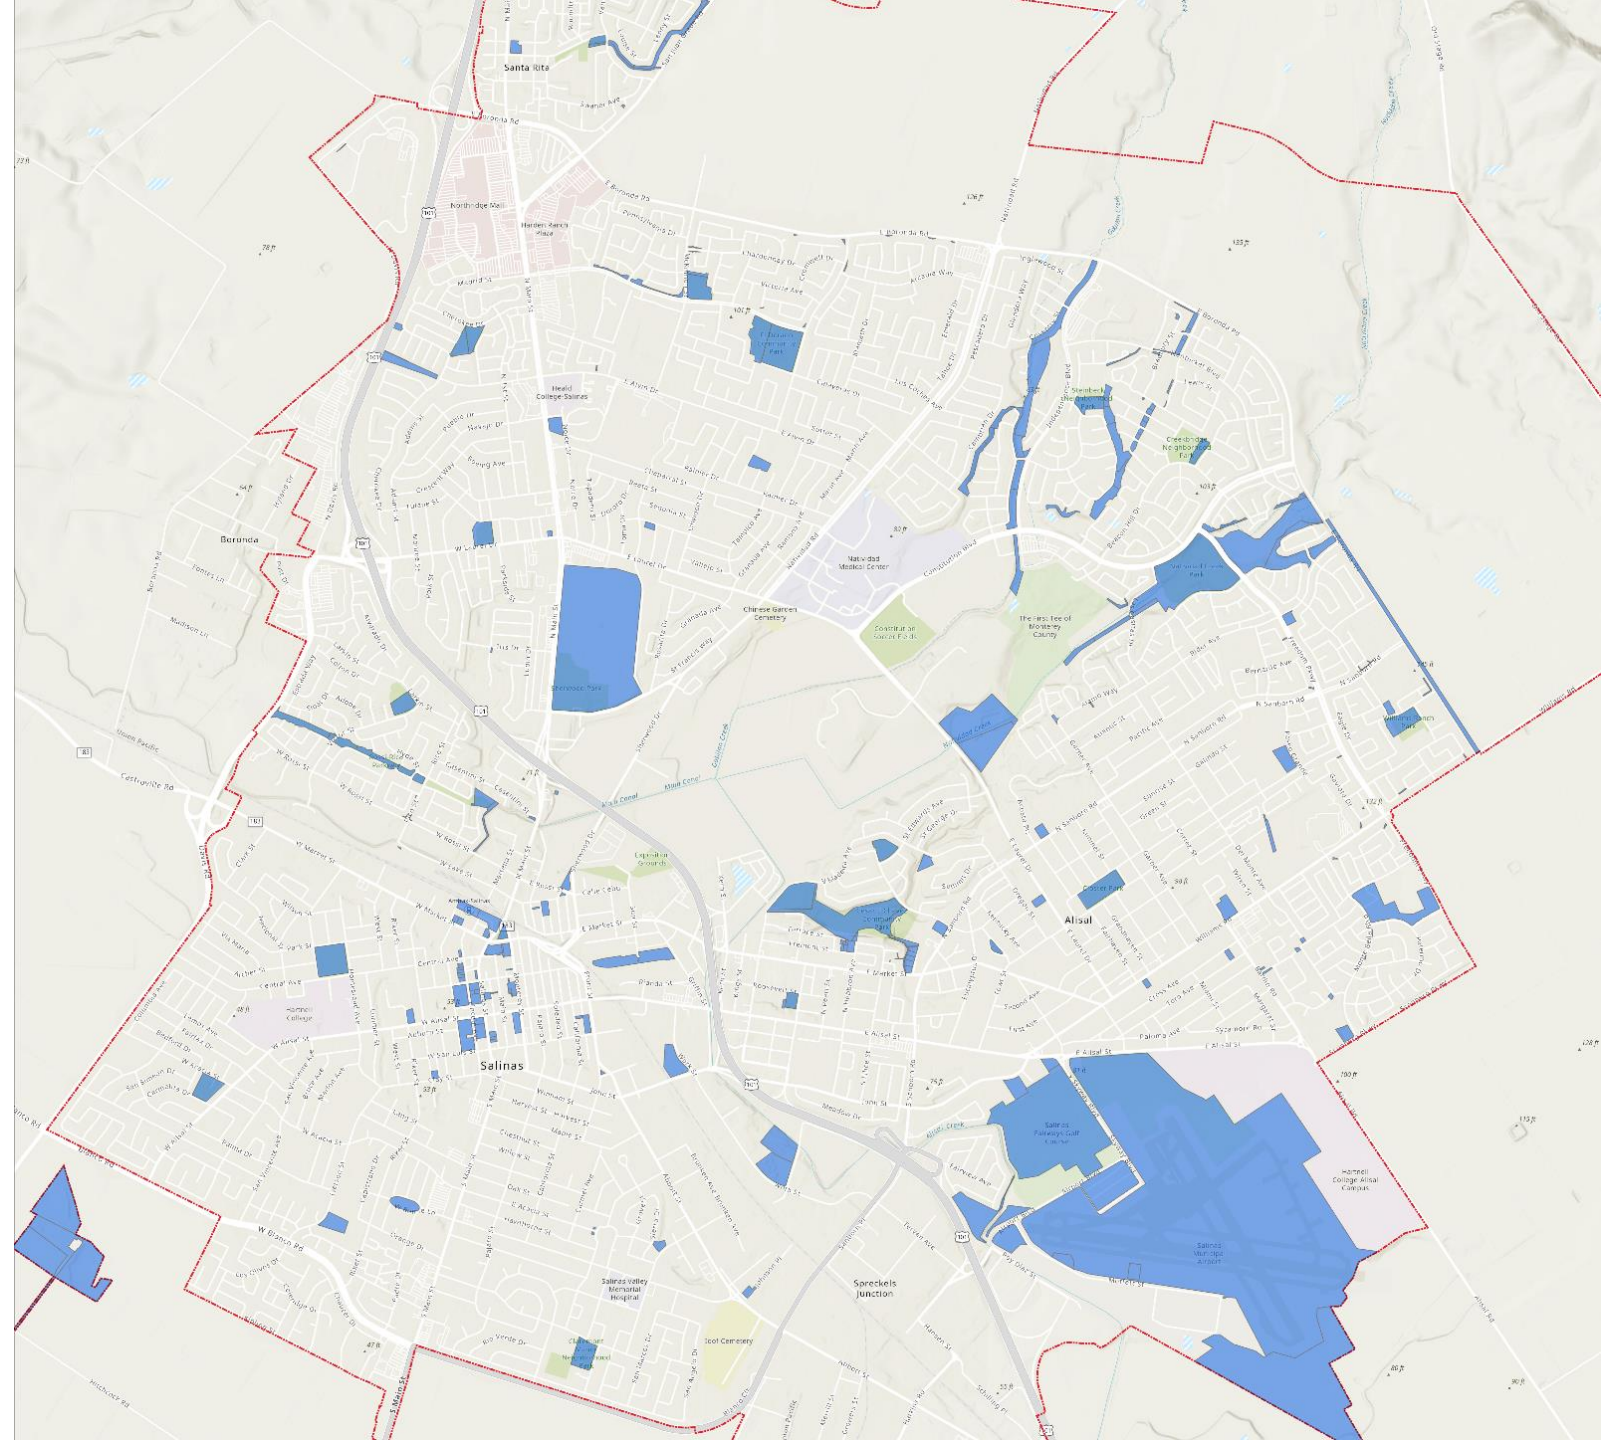

45 Main Street
(Overpass near Chinatown)

Executive Summary

- Health & Safety Conversations
- Community–Level Discussions
- Collaboration with Encampment Residents
- Program Alignment with Partners
- Short- & Long-Term Goals

City-Owned Properties

Strategy Area 3: Expand Service-Oriented Response to Unsheltered Homelessness

3.1

Provide Services and Supports to Encampments: Prioritize services as a key element of encampment response - including hygiene, safety, and service connections

3.2

Build Collaborative Relationships with People in Encampments: Include people living in encampments in planning and decisions on meeting their needs

Lead Me Home Plan Update

Purpose & Approach

Safe, livable Salinas for all residents through outreach, engagement, and connection to available services and resources

Balance health, sanitation and safety needs all residents through community-level discussions
