H-1. Provision of Adequate Sites	Continue to consult with affordable housing developers to identify any additional sites, which may be considered appropriate for affordable housing development.	Ongoing	The City issues an annual Notice of Funding Availability (NOFA) for its federal and state funds. From the federal entitlement funds in 2021, the City made available Community Development Block Grant (CDBG) and HOME Investment Partnerships Program (HOME) for developers to apply. From the state funds, the City made available Permanent Local Housing Allocation (PLHA) funds. An informational workshop is conducted annually to provide developers technical assistance with the application.
H-2. Monitoring of Development Fees	Annually review the City's planning and development fees to ensure they are appropriate and do not unduly constrain affordable housing development	Every year	<p>On April 12, 2022, the City increased the development impact fees in accordance with the Engineering News Record (ENR) Construction Cost Index (CCI). The City's ENR CCI increased between January 1, 2021 and January 1, 2022 by 8%. All impact fees were increased by this percentage.
