Dear Brett,

This letter is to confirm that as a part of our agreement with the Salinas Municipal Airport to hold an AOPA Fly-In on Friday, May 15 through Saturday, May 16, 2015, AOPA will provide certificates of insurance with the following parties named as "additional insured": the City of Salinas, the Salinas Municipal Airport, Jet West, and any other airport leaseholders or property owners on whose property we conduct any elements of our event to be determined in cooperation with you.

These certificates of insurance will evidence general liability coverage no less than \$2,000,000, combined single limit equal or split limits equal to and not less than Two Million Dollars (\$2,000,000), for bodily injury and property damage with respect to each occurrence.

These certificates of insurance will be issued upon receipt of a signed Airport Use and License Agreement that is currently being presented to the Salinas City Council.

We are looking forward to working with you all for a fantastic event this May. Please advise of any other information you may need at this time.

All the best,

Chris Eads
