Salinas, CA 93901

RE: Job Order Contract (JOC)  
For Miscellaneous "Type B" Building / Building Maintenance Work

To Whom It May Concern:

Due to a mistaken assumption that we were already registered on the Planet Bids website prior to the bid opening, William A. Thayer Construction, Inc. understands the potential for disqualification.

We respectfully request that our disqualification be reconsidered. Not being registered on the website did not give Thayer Construction an unfair advantage and we view our omission as a minor discrepancy. Our bid proposal was not affected.

Because our bid proposal contained all other necessary documents and information and because we are a local company with more than 27 years in this community we ask that William A. Thayer be considered for this contract.

Thank you,

William A Thayer, President  
William A Thayer Construction, Inc.
