Mr. Joseph Gunter-Mayor CITY OF SALINAS 200 Lincoln Avenue Salinas, California 93901

RE: Salinas City Center Improvement Association City of Salinas Wine/Beer License Application

Applicant: Salinas Gas

Owners: Chris & Alex Dabit (Property Owners/Business Owners)

Business: Salinas Gas & Convenience Mart

Location: 201 Monterey Street (Downtown Business Improvement District)

The purpose of this correspondence is a Support Letter from the Salinas City Center Improvement Association ("SCCIA") as related to the aforementioned application to the City of Salinas for a Wine/Beer License Application by Salinas Gas ("Applicant"), whose principal owners are Chris and Alex Dabit. SCCIA is in support of and requests the City's approval of this application.

The Applicant has obtained approval as "an ideal and fully qualified" applicant by the Department of Justice and the ABC from whom they have received formal approval. The Applicant has successfully owned and operated a similar facility in Redwood City, California, that includes both gasoline sales and a beer/wine licensed convenience mart.

The Applicant has also obtained many favorable support letters from the surrounding neighbors.

Once the Applicant has been approved by the ABC, SCCIA opposes arbitrary road blocks for alcohol sales within a Commercial and Entertainment District such as Salinas City Center Business Improvement District.

Your favorable approval of this application is encouraged and recommended. Thank You for your review and consideration.
