Salinas City Council

Dear City Council Members,

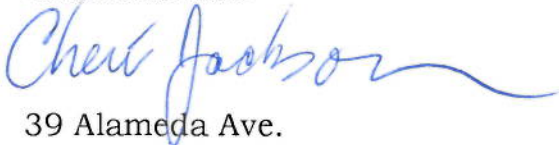

Attached, please find an updated petition from a majority of the residents on Alameda Avenue (between Abbott Street and Grove Street) requesting that our area **remain on OPT OUT status** in regards to the District 3A Residential Permit Parking Program.

Since opting out of the Parking Program in August of 2012 (Please see a copy of the Public Hearing Notice dated August 14, 2012), there have been several new neighbors who have moved in that had no prior knowledge of the permit program. When approached to opt back in, they were not notified there was an annual fee for the parking permits. They signed thinking that it was at no cost to them. Upon learning that there are annual fees, they have signed a new petition to leave our status as is (to remain OPTED OUT).

In addition, any parking problems that are occurring in our neighborhood are generally **NOT DURING the permit hours** of 7am-5pm Monday-Friday. We do have issues with non-residents parking on our street Saturday, Sunday and after 5pm during the weekdays when the corner Auto Sales Lot is busiest. We would like the opportunity to speak with our council member, Steve McShane, at a time convenient to both him and our neighborhood members, in regards to this matter, as an item separate from the Residential Permit Parking Program,

Thank you for your time and consideration,

Cheri Jackson
