Traffic and Transportation Commission

City of Salinas 200 Lincoln Avenue Salinas, CA 93901

Dear Commission,

We, the undersigned business owners along the 800th block of Alisal St., hereby request that the City of Salinas establish "1 Hour" parking along the entire block of 800th block of Alisal. Our commercial district lacks off-street parking and when anyone parks a vehicle for an entire day in front of our businesses, it adversely affects our businesses because customers do not have a place to park.

Name	Business Name/Address	Phone #
