TERMS

1. **Scope of Service.** It is understood by City and Consultant that Consultant performs or secures the performance of consulting and related services for the City on an on-going basis. On each occasion Consultant performs services for City, Consultant shall advise the City in writing of the scope of services to be provided, and the cost of, and estimated time to perform the services. Consultant shall not proceed to perform any such service until City and Consultant have established a project cost, a completion schedule, and a time period for performance, and the City has given its written authorization to perform. Written approval for performance and compensation may be granted by the City Engineer.
2. **Term; Completion Schedule.** This Agreement shall commence on October 11, 2017, and shall terminate on October 11, 2022. This Agreement may be extended only upon mutual written consent of the parties, and may be terminated only pursuant to the terms of this Agreement.
3. **Compensation.** City hereby agrees to pay Consultant on a time and materials basis for services rendered the City pursuant to this Agreement, in accord with Consultant's hourly rates of compensation as shown on **Exhibit A.**
4. **Billing.** Consultant shall submit to City an itemized invoice, prepared in a form satisfactory to City, describing its services and costs for the period covered by the invoice. Except as specifically authorized by City, Consultant shall not bill City for duplicate services performed by more than one person. Consultant's bills shall include the following information to which such services cost or pertain:
 - a. A brief description of services performed;
 - b. The date the services were performed;
 - c. The number of hours spent and by whom;

- d. A brief description of any costs incurred; and
- e. The Consultant's signature.

Any such invoices shall be in full accord with any and all applicable provisions of this Agreement.

City shall make payment on each such invoice within thirty (30) days of receipt; provided, however, that if Consultant submits an invoice which is incorrect, incomplete, or not in accord with the provisions of this Agreement, City shall not be obligated to process any payment to Consultant until thirty (30) days after a correct and complying invoice has been submitted by Consultant. The City shall process undisputed portion immediately within 30 calendar days.

5. **Additional Copies.** If City requires additional copies of reports, or any other material which Consultant is required to furnish as part of the services under this Agreement, Consultant shall provide such additional copies as are requested, and City shall compensate Consultant for the actual costs related to the production of such copies by Consultant.

6. **Responsibility of Consultant.**

a. By executing this Agreement, Consultant agrees that the services to be provided and work to be performed under this Agreement shall be performed in a fully competent manner. By executing this Agreement, Consultant further agrees and represents to City that the Consultant possesses, or shall arrange to secure from others, all of the necessary professional capabilities, experience, resources, and facilities necessary to provide the City the services contemplated under this Agreement and that City relies upon the professional skills of Consultant to do and perform Consultant's work. Consultant further agrees and represents that Consultant shall follow the current, generally accepted practices in this area to make findings, render opinions, prepare factual presentations, and provide professional advice and recommendations regarding the projects for which the services are rendered under this Agreement.

b. Consultant shall assign a single Project Director to have overall responsibility for the execution of this Agreement for Consultant. **Paul Greenway, PE, Project Manager**, is hereby designated as the Project Director for Consultant. Any changes in the Project Director designee shall be subject to the prior written acceptance and approval of the City Manager.

7. **Responsibility of City.** To the extent appropriate to the projects to be completed by Consultant pursuant to this Agreement, City shall:

a. Assist Consultant by placing at his disposal all available information pertinent to the projects, including but not limited to, previous reports and any other data relative to the projects. Nothing contained herein shall obligate City to incur any expense in connection with completion of studies or acquisition of information not otherwise in the possession of City.

b. Examine all studies, reports, sketches, drawings, specifications, proposals, and other documents presented by Consultant, and render verbally or in writing as may be appropriate, decisions pertaining thereto within a reasonable time so as not to delay the services of Consultant.

c. **James Edward Sandoval**, City Engineer, shall act as City's representative with respect to the work to be performed under this Agreement. Such person shall have the complete authority to transmit instructions, receive information, interpret and define City's policies and decisions with respect to materials, equipment, elements, and systems pertinent to Consultant's services. City may unilaterally change its representative upon notice to the Consultant.

d. Give prompt written notice to Consultant whenever City observes or otherwise becomes aware of any defect in a project.

8. **Acceptance of Work Not a Release.** Acceptance by the City of the work to be performed under this Agreement does not operate as a release of Consultant from professional responsibility for the work performed.

9. **Indemnification and Hold Harmless.** Consultant shall indemnify, defend, and hold City and its officers, employees, and agents harmless from and against any and all liability, claims, suits, actions, damages, and causes of action arising out of any personal injury, bodily injury, loss of life, or damage to any property, or violation of any relevant federal, state or municipal law or ordinance, or other cause in connection with the negligent, recklessness or intentional acts or omission of Consultant, its employees, subcontractors or agents, or on account of the performance or character of the work, performed in breach of the applicable standard of care, except for any such claim arising from the negligence or willful misconduct of the City, its officers, employees or agents. Acceptance of insurance certificates and endorsements required under this Agreement does not relieve Consultant from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages.

Consultant shall reimburse the City for all costs and expenses including, but not limited to court costs, incurred by the City in enforcing the provisions of this section.

10. **Insurance.**

a. Consultant shall, throughout the duration of this Agreement, maintain comprehensive general liability and property insurance covering all operations of the Consultant, its agents and employees, performed in connection with this Agreement including but not limited to premises and automobile.

b. Consultant shall maintain the following limits:

General Liability - Contractor shall at all times during the term of this Agreement maintain in effect a policy or policies having an A.M Best rating of A-Class VIII or better for bodily injury liability, personal injury, advertising injury and property damage, including product liability insurance with limits on the Declarations Page but not less than One Million and 00/100 Dollars (\$1,000,000.00) per occurrence and Two Million and 00/100 Dollars (\$2,000,000) in the general aggregate and products/completed operations aggregate insuring against any and all liability of the insured with respect to premises and products/completed operations. Liability coverage shall also include coverage for underground work and/or construction performed (if applicable). The

coverage afforded to the additional insureds under the Contractor's policy shall be primary insurance and non-contributory. If coverage is on a claims-made basis, the Contractor shall maintain "tail coverage" no less than ten (10) years after the expiration date of the policy or policies. Any policy or policies carrying a deductible of more than \$25,000.00 may be subject to review by the City of the Contractor's financials.

c. All insurance companies with the exception of "Worker's Compensation" and "professional errors and omissions" affording coverage to the Consultant shall be required to add the City of Salinas, its officers, and, agents as additional "insured" by endorsement under the insurance policy and shall stipulate that this insurance policy will operate as primary insured for the work performed under this Agreement and that no other insurance affected by the City or other named insured will be called upon to contribute to a loss covered thereunder. The policy shall contain no special limitations on the scope of protection afforded to City, its officers, employees or agents.

d. All insurance companies affording coverage to Consultant shall be insurance organizations authorized by the Insurance Commissioner to transact the business of insurance in the State of California.

e. All insurance companies affording coverage shall provide thirty (30) days written notice by certified mail to the City of Salinas should the policy be canceled or reduced in coverage before the expiration date. For the purpose of this notice requirement, any material change prior to expiration shall be considered cancellation.

f. Consultant shall provide evidence of compliance with the insurance requirements listed above by providing a certificate of insurance, in a form satisfactory to the City's Risk and Benefits Analyst, concurrently with the submittal of this Agreement. A statement on the insurance certificate which states that the insurance company "will endeavor" to notify the certificate holder, "but failure to mail such notice shall impose no obligation or liability of any kind upon the Consultant, its agents or representatives" does not satisfy the requirements of this subsection. The Consultant shall ensure that the authorized representative of the insurance company strikes the above quoted language from the certificate.

g. Consultant shall provide a substitute certificate of insurance no later than ten (10) days prior to the policy expiration date. Failure by the Consultant to provide such a substitution and extend the policy expiration date shall be considered default by Consultant. In the event Consultant is unable to provide a substitute certificate of insurance within the time prescribed in this subsection, Consultant shall provide written confirmation of renewal, in a form satisfactory to the City, to act as proof of insurance only until such time as a certificate of insurance has been received by the City.

h. Maintenance of insurance by the Consultant as specified in this Agreement shall in no way be interpreted as relieving the Consultant of any responsibility whatever and the Consultant may carry, at its own expense, such additional insurance as it deems necessary.

11. Access to Records. Consultant shall maintain all preparatory books, records, documents, accounting ledgers, and similar materials including but not limited to calculation and survey notes relating to work performed for the City under this Agreement on file for at least three (3) years following the date of final payment to Consultant by City. Any duly authorized representative(s) of City shall have access to such records for the purpose of inspection, audit, and copying at reasonable times during Consultant's usual and customary business hours. Consultant shall provide proper facilities to City's representative(s) for such access and inspection.

12. Assignment. It is recognized by the parties hereto that a substantial inducement to City for entering into this Agreement was, and is, the professional reputation and competence of Consultant. This Agreement is personal to Consultant and shall not be assigned by it without express written approval of the City.

13. Changes to Scope of Work. City may at any time, and upon a minimum of ten (10) days written notice, seek to modify the scope of services to be provided for any project to be completed under this Agreement. Consultant shall, upon receipt of said notice, determine the impact on both time and compensation of such change in scope and notify City in writing. Rate of compensation shall be based upon the Consultant's Schedule of Charges as shown in **Exhibit A** of this Agreement. Upon agreement between City and Consultant as to the extent of said impacts to time and compensation, an amendment to this Agreement shall be prepared describing such changes. Execution of the amendment by City and Consultant shall constitute the Consultant's notice to proceed with the changed scope.

14. Ownership of Documents. Title to all final documents, including drawings, specifications, data, reports, summaries, correspondence, photographs, computer software (if purchased on the City's behalf), video and audio tapes, software output, and any other materials with respect to work performed under this Agreement shall vest with City at such time as City has compensated Consultant, as provided herein,

for the services rendered by Consultant in connection with which they were prepared. City agrees to hold harmless and indemnify the Consultant against all damages, claims, lawsuits, and losses of any kind including defense costs arising out of any use of said documents, drawings, and/or specifications on any other project without written authorization of the Consultant.

15. Termination.

a. City shall have the authority to terminate this Agreement, upon written notice to Consultant, as follows:

- (1) If in the City's opinion the conduct of the Consultant is such that the interest of the City may be impaired or prejudiced, or
- (2) For any reason whatsoever.

b. Upon termination, Consultant shall be entitled to payment of such amount as fairly compensates Consultant for all work satisfactorily performed up to the date of termination including demobilization of field operations based on standard terms and rates shown in Exhibit A, except that:

- (1) In the event of termination by the City for Consultant's default, City shall deduct from the amount due Consultant the total amount of additional expenses incurred by City as a result of such default. Such deduction from amounts due Consultant are made to compensate City for its actual additional costs incurred in securing satisfactory performance of the terms of this Agreement, including but not limited to, costs of engaging another consultant(s) for such purposes. In the event that such additional expenses shall exceed amounts otherwise due and payable to Consultant hereunder, Consultant shall pay City the full amount of such expense.

c. In the event that this Agreement is terminated by City for any reason, Consultant shall:

- (1) Upon receipt of written notice of such termination promptly cease all services on this project, unless otherwise directed by City; and
- (2) Deliver to City all documents, data, reports, summaries, correspondence, photographs, computer software output, video and audio tapes, and any other materials provided to Consultant or prepared by or for Consultant or the City in connection with this Agreement. Such material is to be delivered to City in completed form; however, notwithstanding the provisions of Section 14 herein, City may condition payment for services rendered to the date of termination upon Consultant's delivery to the City of such material.

d. In the event that this Agreement is terminated by City for any reason, City is hereby expressly permitted to assume the projects and complete them by any means, including but not limited to, an agreement with another party.

e. The rights and remedy of the City and Consultant provided under this Section are not exclusive and are in addition to any other rights and remedies provided by law or appearing in any other section of this Agreement.

16. Compliance with Laws, Rules, and Regulations. Services performed by Consultant pursuant to this Agreement shall be performed in accordance and full compliance with all applicable federal, state, and City laws and any rules or regulations promulgated thereunder.

17. Exhibits Incorporated. All exhibits referred to in this Agreement and attached to it are hereby incorporated in it by this reference. In the event there is a conflict between any of the terms of this Agreement and any of the terms of any exhibit to the Agreement, the terms of the Agreement shall control the respective duties and liabilities of the parties.

18. Independent Contractor. It is expressly understood and agreed by both parties that Consultant, while engaged in carrying out and complying with any of the terms and conditions of this Agreement, is an independent contractor and not an employee of the City. Consultant expressly warrants not to represent, at any time or in any manner, that Consultant is an employee or servant of the City.

19. Integration and Agreement. This Agreement represents the entire understanding of City and Consultant as to those matters contained herein. No prior oral or written understanding shall be of any force or effect with respect to those matters contained herein. This Agreement may not be modified or altered except by amendment in writing signed by both parties.

24. Conflict of Interest. 28. **Rights and Obligations Under Agreement.** By entering into this Agreement, the parties do not intend to create any obligations express or implied other than those set out herein; further, this Agreement shall not create any rights in any party not a signatory hereto.
29. **Licenses.** If a license of any kind, which term is intended to include evidence of registration, is required of Consultant, its representatives, agents or subcontractors by federal, state or local law, Consultant warrants that such license has been obtained, is valid and in good standing, and that any applicable bond posted in accordance with applicable laws and regulations.
30. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute a single agreement.
31. **Legal Representation.** Each party affirms that it has been represented by legal counsel of its own choosing regarding the preparation and the negotiation of this Agreement and the matters and claims set forth herein, and that each of them has read this Agreement and is fully aware of its contents and its legal effect. Neither party is relying on any statement of the other party outside the terms set forth in this Agreement as an inducement to enter into this Agreement.
32. **Joint Representation.** The language of all parts of this Agreement shall in all cases be construed as a whole, according to its fair meaning, and not strictly for or against any party. No presumptions or rules of interpretation based upon the identity of the party preparing or drafting the Agreement, or any part thereof, shall be applicable or invoked.
33. **Warranty of Authority.** Each party represents and warrants that it has the right, power, and authority to enter into this Agreement. Each party further represents and warrants that it has given any and all notices, and obtained any and all consents, powers, and authorities, necessary to permit it, and the persons entering into this Agreement for it, to enter into this Agreement.
34. **No Waiver of Rights.** Waiver of a breach or default under this Agreement shall not constitute a continuing waiver or a waiver of a subsequent breach of the same or any other provision of this Agreement. The failure to provide notice of any breach of this Agreement or failure to comply with any of the terms of this Agreement shall not constitute a waiver thereof. Failure on the part of either party to enforce any provision of this Agreement shall not be construed as a waiver of the right to compel enforcement of such provision or any other provision. A waiver by the City of any one or more of the conditions of performance under this Agreement shall not be construed as waiver(s) of any other condition of performance under this Agreement.
