PROVIDE THE FOLLOWING DETAILED INFORMATION FOR PROJECTS ANTICIPATED WITHIN 1-2 YEARS					
Detail Project Description (Square/Lineal Footage or Length/Width)					
Construct Runway Rehabilitation (8-26) - Approximately 900,600 SF (6,004' L x 150' W) of Runway 8-26 will be crack sealed, slurry sealed, and remarked. Install New Hold Position Sign Panels and Surface Painted Markings (8-26) - Update approximately 12 Runway designation signs and 12 pairs of surface painted hold position markings due to runway designation change. Additional Design Runway 8-26 Rehabilitation - Additional runway design required following the PMMP update - site survey costs and repackaging for advertisement.					
Project Schedule (Anticipated date for bids or negotiated prices, consultant selection for planning or environmental projects, length of construction or design, planning or environmental process)					
Design		August 2017-February 2018			
Advertisement		March 2019			
Award		May 1, 2019			
Start Construction		July 2019			
Complete Construction		December 2019			
NEPA Environmental Status (With grant application include copy of ROD, FONSI or CATEX letter of approval)					
A CATEX for Runway Rehabilitation was submitted in December 2016. A CATEX for the sign panel replacement was submitted in October 2017.					
Land Title Status & Date of Exhibit "A" Status			Date		
The ALP set, including these projects and the Exhibit A Property Map was approved on November 23, 2010. An update to the ALP and narrative is currently underway.			November 2010		
Open AIP Funded Projects (include grant number and grant description)			Expected Close-out Date		
AIP 23 - Update Master Plan			October 2017		
AIP 25 - Improve Misc. Electrical Improvements - Construction, Conduct Study			October 2017		
AIP 26 - Design - Rwy 8-26 and 13-31 (crack repair, seal coat and remark)			July 2018
