December 31, 2018

Attention: Andrew Easterling: Salinas Public Works Department.

Traffic and Transportation Commission,

Unfortunately, I am not able to attend the January 10, 2019 Traffic and Transportation Commission meeting but want to voice my **support** for installing "No Parking" red zones along Caribbean Ave and Hawaii Place. As my house at 1209, Hawaii is right across the street from the proposed No Parking red zone, my husband and I are in total support of this request. As cars are often parked in the evening and weekends on the corner, it makes it very hard for someone driving in either direction to see any cars that are approaching. It also makes it hard for us to back up from our driveway because of the close proximity of the car parked on the corner. I have witnessed many near collisions because of the danger of not being able to see approaching cars. I believe by installing the red zones on this corner of Caribbean Ave and Hawaii Place will make a much safer for drivers.

Sincerely,

Alice and Kerry White  
1209 Hawaii Place
