THIS PERMIT is issued by the **CITY OF SALINAS**, a California charter city and municipal corporation and political subdivision of the State of California, hereinafter referred to as “City,” to the **MONTEREY COUNTY AIRSHOW ASSOCIATION, INCORPORATED**, a California Nonprofit Corporation doing business as the **CALIFORNIA INTERNATIONAL AIRSHOW**, hereinafter referred to as “Permittee.”

WITNESSETH

WHEREAS, City is the owner of that certain public airport known as the Salinas Municipal Airport (“Airport”) located in the City of Salinas, County of Monterey, California; and

WHEREAS, it is the desire of Permittee to use said Airport for the purpose of preparing for and conducting the 2019 California International Airshow (“Airshow”); and

WHEREAS, the staging of said Airshow is in the best interests of general aviation and the public with the purposes of enhancing the Salinas community image, promoting public use of the Airport, and promoting revenue for local charitable organizations.

NOW, THEREFORE, this Permit is provided upon the following terms and conditions:

TERMS

1. SCOPE OF PERMIT

City hereby grants Permittee the right to utilize portions of the Airport and adjoining public streets and facilities used in conjunction with the Airshow, for the staging and conducting of the Airshow and for purposes incidental thereto as further described below and for no other purpose unless granted, in writing, by City.

2. NATURE OF INTEREST GRANTED

It is specifically understood and agreed by the parties hereto that the relationship created by this instrument is not one of landlord and tenant, principal and agent, or owner and contractor, it being the intention of the parties that this Permit is merely for the purpose of allowing Permittee to use portions of the Airport and

the facilities thereon on a temporary basis for the purposes of staging and conducting the Airshow and activities related and incidental thereto.

3. TERM

This Permit shall allow Permittee to utilize portions of the Airport pursuant to the terms and conditions of this Permit for a fifteen (15) day period beginning on the Saturday, March 16, 2019, through Saturday, March 30, 2019.

4. FEE

The Airport Administrative Fees for the 2019 California International Airshow will be waived. Permittee will be billed and agrees to pay for repair or replacement of any Airport equipment, facilities, or property damaged as a result of Airshow operation and/or Permittee's use and occupation of the Airport during the term of this Permit.

5. OBLIGATIONS OF PERMITTEE

A. FAA Approval. Approval of the Federal Aviation Administration (FAA) must be obtained by Permittee for all phases of the Airshow, as evidenced by a Certificate of Waiver or Authorization, a copy of which must be provided to City at least fifteen (15) days prior to the effective date of this Permit.

B. Fencing. Construction of temporary fencing in addition to any existing permanent fencing will be permitted, subject to prior approval of City's Airport Manager as to type of fence mounting and location of fences and access gates. Temporary fencing may be anchored to permanent fence corners provided that such attachment in no way alters or damages any permanent fence structure and all attaching devices are removed with the temporary fence. Permittee shall install temporary fencing around the perimeter of the Jet West maintenance hangar and adjacent ramp area, prior to any activity conducted in the Jet West maintenance hangar. Permittee shall install temporary fencing around the western perimeter of the Serv Aero facility (area sublet by Airmotive Specialties) and adjacent ramp area, prior to commencement of airshow activities on Saturday. Also, temporary fencing will be placed around all lighting equipment left in place behind the crowd line and any other area deemed necessary by the City's Airport Manager.

C. Security. Permittee shall provide, at its own expense, sufficient security personnel to protect general aviation aircraft based at the Salinas Airport during the term of this Permit, whenever such aircraft are located in other than the regularly assigned tiedown location. Such sufficiency shall be determined by City's Police Department and any recommendations from City's Police Department regarding security activities shall be followed. Permittee shall provide security for all Airport buildings, facilities, equipment, and property during the periods when the Airport is open to Airshow spectators. Permittee will also provide security for transient aircraft, Airshow participating aircraft, and vehicles and equipment that are participating in the Airshow during the period of this Permit.

D. Crowd Control. Permittee shall furnish such personnel as are necessary to enable the public to park, give traffic directions, and provide crowd control. Crowd control barriers shall be in place before any Airshow activity takes place on the Airport.

E. Water, Sanitary, and First Aid Facilities. Permittee shall provide at its own expense such water, sanitary, and first aid facilities as are deemed necessary by Monterey County Health Department to accommodate expected crowds.

F. Prohibition of Temporary Living Facilities. Except as hereinafter provided, camper trucks, trailers, and/or other temporary living facilities may not be utilized in any area of the Airport. Permittee shall make every effort through its security personnel to enforce this prohibition. Camper trucks and trailers may be permitted for use by exhibitors, participants, and Permittee's officials, for purposes other than as living quarters, to the extent of parking availability in an area pre-designated by the City's Airport Manager. As a single exception to this restriction, trailers will be authorized in an area designated by City's Airport Manager for use by security personnel and such other official agents of Permittee as are required to be on the site twenty-four (24) hours a day throughout the Permit period.

G. Fire Protection and Aircraft Rescue Equipment. Permittee shall furnish and be responsible for any and all such fire protection and aircraft crash rescue equipment and services as are deemed necessary by the City and the FAA.

H. Repair and Maintenance of Airport Property. Permittee shall be responsible for the repair and maintenance of any buildings, facilities, equipment or property of the Airport impacted by operations under this Permit. Immediately subsequent to the close of the Airshow and not later than 5:00 p.m. on Monday, March 24, 2019, Permittee shall clean the entire area used by it, shall remove any and all debris and trash, and shall restore the area insofar as possible to the condition existing immediately prior to the commencement of the Permittee's operations as allowed by this Permit. The aircraft parking ramps southeast of the Airport Terminal Building, both based and transient aircraft ramps will be cleared not later than 5:00 p.m. on Monday, March 24, 2019, so as to permit use of the ramp for aircraft parking. If, in the opinion of City's Airport Manager, the repair, maintenance, cleaning, and trash removal requirements have not been accomplished satisfactorily, City may, after notification of Permittee, cause such repair, maintenance, cleaning, and trash removal to be made at Permittee's expense. The cost of such work shall be added to the Permit Fee.

I. Licenses and Permits. Permittee shall obtain and bear the expense of all licenses, permits, and other authorization required by any and all applicable agencies. Pyrotechnic permits will be obtained from the City and State of California when required. Permittee shall pay promptly and discharge all lawful taxes and assessments which may be levied by the federal, state, county, city or other tax levying body on any taxable interest of Permittee as well as all taxes and assessments on taxable personal property of whatever nature owned by Permittee and located on the Permit premises. Permittee shall promptly pay all excise, license, and permit fees of whatever nature applicable to the operation of Permittee's business.

J. Permit to Conduct Airshow. When this Permit is approved by the Salinas City Council, it shall be deemed a permit issued by the Community Development Director in lieu of a Temporary Land Use Permit, as required under Section 37-50.300 of the City's Zoning Code.

K. Spectator Parking. It is understood and agreed that certain portions of the Airport will be utilized for parking of spectator operated private vehicles. Permittee agrees that all such vehicles parked on Airport premises, inside the security fence, will be removed from said area not later than 6:00 p.m. of any day when parking has been authorized by City's Airport Manager. However, the Permittee will ensure that all vehicles are removed from the Airport within two (2) hours after activity ends. Permittee will be prepared to move said

vehicles to an area outside the security fence if they remain after the time specified above. Permittee will be responsible for advising all vehicle operators of this provision. If vehicles are not removed by Permittee as agreed in this section, such vehicles will be removed at the direction of Airport management and Permittee shall be held responsible for the costs and charges associated with such removals.

L. Transient Aircraft. Transient aircraft are authorized to park overnight in areas designated by City's Airport Manager, who will collect overnight tiedown fees as appropriate.

M. Street Closure. Permittee agrees to abide and comply with the Street Closing Permit attached hereto, marked Exhibit A, and incorporated herein by reference.

N. Costs Associated with Airshow Production. Permittee shall bear all costs connected with staging of the Airshow and activities incidental thereto. The sole function of City is to provide the necessary facilities and areas and to enforce the provisions of this Permit.

6. OBLIGATIONS OF CITY

A. City shall make available for use, by Permittee, City owned and controlled buildings, land, personal property, and equipment necessary to facilitate the Airshow for which the City may charge a fee in addition to the Permit Fee.

B. It is recognized that the nature of the Airshow precludes normal general aviation and public use of the Airport during the Airshow events. Therefore, City shall close the Airport to all general aviation aircraft during the period that the Airshow is actually in progress, provided however that locally based aircraft and transient aircraft shall be allowed to operate when scheduled Airshow events are not taking place. Permittee shall not interfere with the regular operation of tenants doing business on the Airport.

7. OPERATIONAL PROVISIONS

B. Staffing by Salinas Police Department. There will be Salinas Police staffing for traffic direction and control at critical intersections, as determined by Salinas Police Department. No open flame device may be used for any purpose other than cooking.

8. SAFETY

A. Safety shall be of primary importance to this event. Anyone who flies in a manner and style not considered to demonstrate good airmanship and safety shall be barred from any further activities. It shall be the duty of Permittee to ensure that safety and good airmanship of all Airshow performers will be observed at all times and Permittee shall take any and all steps necessary, including prohibition of flying, in the event Permittee determines that good airmanship and safety are being threatened or compromised. In the absence of the FAA monitor or Permittee supervision, and when City's Airport Manager is of the opinion that Permittee is unable to fulfill said requirements of good airmanship and safety, the Airport Manager shall stop all Airshow connected activity until the unsafe or unsatisfactory condition is corrected. Other applicable enforcement agencies shall have full authority to order stoppage or direct correction of any unsafe condition or practice observed on or over the Airport.

B. No person shall operate a motor vehicle of any kind on the Airport in a negligent or reckless manner. The speed limit on the Airport is a speed consistent with the variable weather conditions of the area being traversed and common sense and good judgment, but in no case greater than 15 MPH. No person shall cross any Airport runway, whether in a vehicle or otherwise, without having first obtained permission from the Air Traffic Controller, except when the runway has been officially closed by the City's Airport Manager and the person has been notified of that status before each runway crossing.

9. INSURANCE

A. Permittee shall at its sole expense, throughout the duration of this Permit, maintain commercial general liability and property damage insurance, including but not limited to premises and automobile, and Air Meet liability insurance, covering all operations of the Permittee, its agents and employees, performed in connection with this Permit, including but not limited to set up of premises, practices, performances, cleanup

Permittee shall file a certificate evidencing such coverage as well as a waiver of subrogation endorsement on a form satisfactory to City.

C. Permittee shall require that all contractors and/or concessionaires maintain liability insurance, including aircraft liability insurance when applicable, and provide certificates of insurance to the Permittee evidencing such insurance in an amount no less than \$1,000,000 per occurrence for bodily injury and property damage liability which name the City of Salinas, its employees, officers, agents, representatives, boards, commissions and commissioners, and the Permittee, as additional insureds by endorsements with occurrence form coverage, in amounts, determined appropriate by the City and Permittee, to the product or service being provided by the concessionaire.

including patrons of the Airshow. This provision applies to all aircraft moved from its normal and regular tiedown or parking space to make room for Airshow activity, until returned to its normal and regular tiedown or parking space. The Permittee accepts full legal liability and responsibility for all aircraft while located at other than its regular tiedown location until forty-eight (48) hours after the tiedown ramp has been vacated by Airshow facilities.

14. HAZARDOUS SUBSTANCES

- (1) Furnish such service on a fair, equal, and non-discriminatory basis to all users thereof; and
- (2) Charge fair, reasonable, and non-discriminatory prices for each unit of service; provided that Permittee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.

C. This Permit shall be subject to the terms of the City's agreements, as amended, with the FAA. If they conflict, provisions of the FAA agreements that implement federal law shall take precedence over provisions of this Permit.

D. Permittee shall abide and be bound by the Minority Business Enterprise Program, a copy of which has been provided to Permittee, adopted and as amended from time to time by the City pursuant to United States Department of Transportation regulations Title 49, Code of Federal Regulations, Subtitle A, Part 23, participation by disadvantaged business enterprises in Airport concessions, and Part 26, participation by Minority Business Enterprise in Department of Transportation programs, a copy of which has also been provided to Permittee.

E. Permittee will obey all rules, regulations, and orders of the FAA, California Aviation Office, and the City of Salinas, existing or as amended.

F. It is further understood and agreed that during the term of this Permit, Permittee shall use the Airport in an orderly and peaceable manner, and in strict compliance with all applicable laws and ordinances and shall not use the Airport, nor allow any person or persons to use the Airport, for any purpose whatsoever that is in violation of any law or ordinance.

17. NO ASSIGNMENT, DELEGATION, OR SUBLICENSING

This Permit, being in the nature of a personal revocable permit, may not be assigned or delegated. However, Permittee may allow concessionaires to enter upon the Airport for the performance of functions and services within the scope of the uses allowed to Permittee under the provisions of this Permit.

18. RIGHT TO AMEND

This Permit shall be subordinate to the provisions of any existing or future agreement between City and the United States, by which City obtains federally owned surplus property or federal aid for the improvement, operation, and/or maintenance of the Airport. In the event that the FAA, or any other federal agency, requires modifications or changes in this Permit as a condition for the granting of funds for the improvement of the air terminal or lands or improvements covered by its laws, rules, or regulations, Permittee agrees to consent to the amendments, modifications, revisions, supplements, or deletions of any of the terms, conditions, or requirements of this Permit as may be required to obtain such funds.

It is understood and agreed that nothing contained in this Permit shall be construed as granting or authorizing the granting of an exclusive right for the use of any landing areas or air navigation facility at the Airport.

20. PERMITTEE INDEPENDENT CONTRACTOR

For all the purposes of this Permit, Permittee is and shall be deemed to be, with respect to the City, an independent contractor. It is mutually agreed and understood that nothing contained in the Permit shall be deemed or construed to constitute a partnership or joint venture between the parties to this Permit. Moreover,

it is agreed and understood that regarding the rights and obligations provided herein, this Permit establishes the extent of the relationship between the City and Permittee. It is agreed and understood that the City and Permittee are independent contractors and that neither is the employee or employer of the other and that employees of one are not the employees of the other.

21. CANCELLATION BY CITY

In addition to any rights to which it may be entitled by law, City may cancel this Permit upon or after the occurrence of any of the following events:

In such a case, the Permit fee identified in Section 4 will be refunded to Permittee.

23. WAIVER

It is agreed that a failure on the part of City to take appropriate action or to declare this Permit terminated for default by Permittee in any one or more of the terms, covenants or conditions will not be considered or construed as a waiver by the City of such right on any further or future default on the part of Permittee. Additionally, the subsequent acceptance of the fee by City shall not be construed as a waiver of City's rights concerning any preceding breach of any term, covenant or condition by Permittee.

24. SURRENDER

Permittee covenants that on the last day of this Permit or any extension of it, Permittee will peaceably and quietly leave and surrender the Airport premises in as good a condition as they are now (or, may be in after making alterations, additions, or improvements as permitted by City) except for ordinary wear and tear.

25. ASSIGNMENT BY CITY
