A motion to approve a Resolution declaring vehicles and equipment surplus and authorize their disposal.

RECOMMENDATION:

It is recommended that City Council approve a Resolution declaring items on the attached Surplus Vehicles and Equipment List as surplus and authorizing their disposal through auction companies.

City Council must declare City vehicles and equipment unsuitable for public use as surplus and authorized their disposal through contracted auction services. Attached to this report is a list of vehicles and equipment.

City Council has the authority to declare City personal property surplus and authorize their disposal under Section 12-15 of the Salinas Municipal Code.

Not a Project. The City of Salinas has determined that the proposed action is not a project as defined by the California Environmental Quality Act (CEQA) (CEQA Guidelines Section 15378).

DEPARTMENT COORDINATION:

Disposal of surplus property requires staff time from Finance Purchasing Division, Police Department Vehicle Maintenance and Administration Divisions, Fire Department Vehicle Maintenance and Public Works Vehicle Maintenance Divisions.

Vehicle maintenance personnel must remove City equipment and decals from the vehicles. Public Works Vehicle Maintenance Division makes minor repairs on the vehicles to get them operational

for better sale value. Purchasing Division coordinates the sale with the auction companies with assistance from Public Works Vehicle Maintenance.

STRATEGIC PLAN INITIATIVE:

Disposing of vehicles and equipment not suitable for City use supports City Council goals, Quality of Life (healthy, vibrant, sustainable and Green Community) and Effective, Sustainable Government.

FISCAL AND SUSTAINABILITY IMPACT:

The sales of listed surplus should generate approximately \$20,000 in revenue.
