1. PROBLEM STATEMENT

The City of Salinas is located in Central California and is the largest city in Monterey County with over 156,000 residents. The City is the 35th largest in California based on population. An undetermined number of undocumented immigrants come into the City on a seasonal basis, which causes the population to rise significantly for several months during the growing season. This makes it difficult to accurately assess the population. The City encompasses approximately 23.2 square miles and has approximately 339 miles of roadway. U.S. 101 traverses the City running north and south. S.R. 68 and S.R. 183 also run through Salinas.

Partly because of this diverse network of roadways, Salinas experiences a high volume of traffic collisions. During the 2018 federal fiscal year there were 1,370 collisions reported in Salinas, which caused injuries to 820 persons. There were 12 fatal collisions claiming 13 lives. A further breakdown of collision reports shows 67 of the investigated injury collisions involved impaired drivers causing injuries to 108 persons.

The latest rankings of the OTS website (2016) show Salinas improved in some traffic safety categories and has fallen back in others compared to the previous year. Salinas improved in overall bicycle collisions going from 33rd to 36th. Salinas climbed to 26th from 37th in bicycle collisions for under 15. Salinas fell back a little with pedestrian safety ranking 44th in injured pedestrian collisions.

The City had been having financial problems for several years causing a large reduction in the police department budget. A tax measure was approved by voters in November of 2014, which has eased the financial crisis and, at the time, promised to increase the police force to allow for additional traffic enforcement. The Department is making progress and staffing numbers are increasing quickly. The traffic unit has been reestablished and is staffed by a full-time traffic sergeant and two motorcycle officers.

During the year of 2018/2019, Salinas PD received one grant. We received a STEP grant at \$175,000.00. We are very optimistic that the number of police officers will grow, assuring that we will meet and exceed all grant goals in the coming years. Even if the department does not grow during the coming year, Salinas PD will certainly be able to complete all the objectives of the grant for which we are currently applying.

In the meantime, the Department is encouraging patrol officers to concentrate more of their time on traffic enforcement. The Department uses six officers with prior experience in the traffic unit to do most of the traffic enforcement portion of the grant with OTS grant funds. These officers do the traffic enforcement on motorcycles for maximum efficiency. Four of the six motorcycles were paid for through a previous OTS grant. Salinas PD has been receiving a STEP grant since 2011. Many Salinas Police officers work overtime to enforce the DUI portions of the grant.

B. Objectives:	Target Number
1. Issue a press release announcing the kick-off of the grant by November 15. The kick-off press releases and media advisories, alerts, and materials must be emailed to the OTS Public Information Officer at pio@ots.ca.gov, and copied to your OTS Coordinator, for approval 14 days prior to the issuance date of the release.	1
2. Participate and report data (as required) in the following campaigns, National Walk to School Day, National Teen Driver Safety Week, NHTSA Winter Mobilization, National Distracted Driving Awareness Month, National Motorcycle Safety Month, National Bicycle Safety Month, National Click it or Ticket Mobilization, NHTSA Summer Mobilization, National Child Passenger Safety Week, and California's Pedestrian Safety Month.	10
3. Develop (by December 31) and/or maintain a “HOT Sheet” program to notify patrol and traffic officers to be on the lookout for identified repeat DUI offenders with a suspended or revoked license as a result of DUI convictions. Updated HOT sheets should be distributed to patrol and traffic officers monthly.	12
4. Send law enforcement personnel to the NHTSA Standardized Field Sobriety Testing (SFST) (minimum 16 hours) POST-certified training.	10
5. Send law enforcement personnel to the NHTSA Advanced Roadside Impaired Driving Enforcement (ARIDE) 16 hour POST-certified training.	4
6. Send law enforcement personnel to the Drug Recognition Expert (DRE) training.	2
7. Send law enforcement personnel to the DRE Recertification training.	2
8. Send law enforcement personnel to SFST Instructor training.	1
9. Conduct DUI/DL Checkpoints. A minimum of 1 checkpoint should be conducted during the NHTSA Winter Mobilization and 1 during the Summer Mobilization. To enhance the overall deterrent effect and promote high visibility, it is recommended the grantee issue an advance press release and conduct social media activity for each checkpoint. For combination DUI/DL checkpoints, departments should issue press releases that mention DL's will be checked at the DUI/DL checkpoint. Signs for DUI/DL checkpoints should read "DUI/Driver's License Checkpoint Ahead." OTS does not fund or support independent DL checkpoints. Only on an exception basis and with OTS pre-approval will OTS fund checkpoints that begin prior to 1800 hours. When possible, DUI/DL Checkpoint screeners should be DRE- or ARIDE-trained.	2
10. Conduct DUI Saturation Patrol operation(s).	17
11. Conduct Traffic Enforcement operation(s), including but not limited to, primary collision factor violations.	33
12. Conduct highly publicized Distracted Driving enforcement operation(s) targeting drivers using hand held cell phones and texting.	17
13. Conduct Nighttime (1800-0559) Click It or Ticket enforcement operation(s).	5
14. Conduct highly publicized pedestrian and/or bicycle enforcement operation(s) in areas or during events with a high number of pedestrian and/or bicycle collisions resulting from violations made by pedestrians, bicyclists, and drivers.	4
3. METHOD OF PROCEDURE	
A. Phase 1 – Program Preparation (1st Quarter of Grant Year)	
<ul style="list-style-type: none"> The department will develop operational plans to implement the “best practice” strategies outlined in the objectives section. All training needed to implement the program should be conducted this quarter. All grant related purchases needed to implement the program should be made this quarter. In order to develop/maintain the “Hot Sheets,” research will be conducted to identify the “worst of the worst” repeat DUI offenders with a suspended or revoked license as a result of DUI convictions. The Hot Sheets may include the driver’s name, last known address, DOB, description, current license status, and the number of times suspended or revoked for DUI. Hot Sheets should be updated and distributed to traffic and patrol officers at least monthly. 	

- Implementation of the STEP grant activities will be accomplished by deploying personnel at high collision locations.

Media Requirements

- Issue a press release announcing the kick-off of the grant by November 15, but no earlier than October 1. If unable to meet the November 15 date, communicate reasons to your OTS Coordinator. The kick-off press releases and any related media advisories, alerts, and materials must be emailed for approval to the OTS Public Information Officer at pio@ots.ca.gov, and copied to your OTS Coordinator, 14 days prior to the issuance date of the release.

B. Phase 2 – Program Operations (Throughout Grant Year)

The department will work to create media opportunities throughout the grant period to call attention to the innovative program strategies and outcomes.

Media Requirements

- Send all grant-related activity press releases, media advisories, alerts and general public materials to the OTS Public Information Officer (PIO) at pio@ots.ca.gov, with a copy to your OTS Coordinator. The following requirements are for grant-related activities and are different from those regarding any grant kick-off release or announcement.
- If an OTS-supplied, template-based press release is used, there is no need for pre-approval, however, the OTS PIO and Coordinator should be copied when at the same time as the release is distributed to the press.
- If an OTS-supplied template is not used, or is substantially changed, a draft press release shall be sent to the OTS PIO for approval. Optimum lead-time would be 10 days prior to the release distribution date, but should be no less than 5 working days prior to the release distribution date.
- Press releases reporting the immediate and time-valued results of grant activities such as enforcement operations are exempt from the recommended advance approval process, but still should be copied to the OTS PIO and Coordinator when the release is distributed to the press.
- Activities such as warrant or probation sweeps and court stings that could be compromised by advanced publicity are exempt from pre-publicity, but are encouraged to offer embargoed media coverage and to report the results.
- Use the following standard language in all press, media, and printed materials: Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
- Email the OTS PIO at pio@ots.ca.gov and copy your OTS Coordinator at least 30 days in advance, a short description of any significant grant-related traffic safety event or program so OTS has sufficient notice to arrange for attendance and/or participation in the event.
- Submit a draft or rough-cut of all printed or recorded material (brochures, posters, scripts, artwork, trailer graphics, etc.) to the OTS PIO at pio@ots.ca.gov and copy your OTS Coordinator for approval 14 days prior to the production or duplication.
- Space permitting, include the OTS logo, on grant-funded print materials; consult your OTS Coordinator for specifics and format-appropriate logos.
- Contact the OTS PIO or your OTS Coordinator, sufficiently far enough in advance of need, for consultation when deviation from any of the above requirements might be contemplated

C. Phase 3 – Data Collection & Reporting (Throughout Grant Year)

- Invoice Claims (due January 30, April 30, July 30, and October 30)
- Quarterly Performance Reports (due January 30, April 30, July 30, and October 30)
 - Collect and report quarterly, appropriate data that supports the progress of goals and objectives.
 - Provide a brief list of activity conducted, procurement of grant-funded items, and significant media activities. Include status of grant-funded personnel, status of contracts, challenges, or special accomplishments.
 - Provide a brief summary of quarterly accomplishments and explanations for objectives not completed or plans for upcoming activities.
 - Collect, analyze and report statistical data relating to the grant goals and objectives.

4. METHOD OF EVALUATION

Using the data compiled during the grant, the Grant Director will complete the “Final Evaluation” section in the fourth/final Quarterly Performance Report (QPR). The Final Evaluation should provide a brief summary of the grant’s

accomplishments, challenges and significant activities. This narrative should also include whether goals and objectives were met, exceeded, or an explanation of why objectives were not completed.

5. ADMINISTRATIVE SUPPORT

This program has full administrative support, and every effort will be made to continue the grant activities after grant conclusion.

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

Such activities include both direct and indirect (e.g., "grassroots") lobbying activities, with one exception. This does not preclude a State official whose salary is supported with NHTSA funds from engaging in direct communications with State or local legislative officials, in accordance with customary State practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

CERTIFICATION REGARDING DEBARMENT AND SUSPENSION

(applies to subrecipients as well as States)

Instructions for Primary Tier Participant Certification (States)

1. By signing and submitting this proposal, the prospective primary tier participant is providing the certification set out below and agrees to comply with the requirements of 2 CFR parts 180 and 1200.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective primary tier participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary tier participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default or may pursue suspension or debarment.
4. The prospective primary tier participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary tier participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms covered transaction, civil judgment, debarment, suspension, ineligible, participant, person, principal, and voluntarily excluded, as used in this clause, are defined in 2 CFR parts 180 and 1200. 7. The prospective primary tier participant further agrees by submitting this proposal that it will include the clause titled "Instructions for Lower Tier Participant Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions and will require lower tier participants to comply with 2 CFR parts 180 and 1200.

BUY AMERICA ACT

(applies to subrecipients as well as States)

The State and each subrecipient will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using Federal funds. Buy America requires a State, or subrecipient, to purchase with Federal funds only steel, iron and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use Federal funds to purchase foreign produced items, the State must submit a waiver request that provides an adequate basis and justification for approval by the Secretary of Transportation.

PROHIBITION ON USING GRANT FUNDS TO CHECK FOR HELMET USAGE

(applies to subrecipients as well as States)

The State and each subrecipient will not use 23 U.S.C. Chapter 4 grant funds for programs to check helmet usage or to create checkpoints that specifically target motorcyclists.

LAW ENFORCEMENT AGENCIES

All subrecipient law enforcement agencies shall comply with California law regarding profiling. Penal Code section 13519.4, subdivision (e), defines “racial profiling” as the “practice of detaining a suspect based on a broad set of criteria which casts suspicion on an entire class of people without any individualized suspicion of the particular person being stopped.” Then, subdivision (f) of that section goes on to provide, “A law enforcement officer shall not engage in racial profiling.”
