**ORDINANCE NO. \_\_\_\_\_ (N.C.S.)**

**AN ORDINANCE AMENDING THE ZONING MAP BY RECLASSIFYING A 94,235 SQUARE FEET (2.16 ACRES) OF A 401,197 (9.21 ACRES) LOT FROM “INDUSTRIAL-GENERAL COMMERCIAL” TO “MIXED ARTERIAL FRONTAGE” (RELATED TO GPA 2017-002)**

**WHEREAS**, on \_\_\_\_\_, 2019, the Salinas City Council, at the request of the City of Salinas, Applicant/Property Owner, held a duly noticed public hearing to consider Rezone 2017-001 to change the Zoning designation of 94,235 square feet (2.16 acres) of a 401,197 (9.21 acres) lot from “Industrial-General Commercial” to “Mixed Arterial Frontage” located at 10 Simas Street (APN: 003-091-011-000); and

**WHEREAS**, on November 6, 2019, the Salinas Planning Commission, held a duly noticed public hearing to consider Rezone 2017-002; and

**WHEREAS**, the Planning Commission considered a Mitigated Negative Declaration prepared for this project and independently determined that all impacts were adequately addressed in accordance with the California Environmental Quality Act; and

**WHEREAS**, on November 6, 2019, the Salinas Planning Commission weighed the evidence presented at said public hearing, considered the staff report, determined that positive findings could be made for approval of the project, adopted Resolution No. 2019-\_\_\_ recommending adoption of the related Mitigated Negative Declaration and approval of Rezone 2017-001; and

**WHEREAS**, the City Council weighed the evidence presented at said public hearing, including the Staff Report which is on file at the Community Development Department together with the record of environmental review; and

**WHEREAS**, the City Council has reviewed and considered the information contained in the Initial Study and related environmental documents including the Mitigated Negative Declaration; and

**WHEREAS**, by Resolution adopted by the City Council on \_\_\_\_\_, 2019, the City Council adopted the Mitigated Negative Declaration prepared for Rezone 2017-001.

**NOW, THEREFORE, BE IT RESOLVED** by the Salinas City Council that the Council approve Rezone 2017-002, and adopts the following findings as the basis for its determination, and that the foregoing recitations are true and correct, and are included herein by reference as findings:

**Rezone 2017-001:**

1. **The amendment is consistent with the Salinas general plan, any applicable specific plan, and other plans and policies adopted by the Salinas city council;**

The proposed Amendment is consistent with Salinas General Plan Policies. Consistent with Land use Policy LU-3.7, the Amendment allows for a formerly vacant 18,150 square foot theater building to be revitalized into a viable compliant use. The infill development of establishing the religious assembly use in the former vacant theater building with no proposed exterior modifications is consistent with scale and character of the existing Industrial Complex development on-site and conforms to Community Design Policy CD-2.3. The proposed “Arterial Frontage” land use designation is not expected to result in negative impacts or conflict with surrounding properties, because the adjacent lots to the west are designated the same “Arterial Frontage”.

2. **The amendment will not have the effect of reversing the policies of the Salinas general plan, any applicable specific plan, and other plans and policies adopted by the Salinas city council;**

There are no policies within the Salinas General Plan that would be reversed as a result of this amendment. There are no Specific Plans or Precise Plans applicable to the site.

3. **The amendment would not create an isolated district unrelated to adjacent zoning districts;**

The proposed zoning amendment will not create an unrelated zoning district because the rezoning would extend the boundary of the existing and contiguous MAF base zoning district to include the proposed portion of the lot located at 10 Simas Street.

4. **The city has the capability to provide public utilities, roads, and services to serve the uses allowed by the proposed amendment.**

Salinas is an urbanized area and public infrastructure is presently in place to serve most uses. The proposed Rezoning would not create the need for additional infrastructure.

**NOW, THEREFORE, THE SALINAS CITY COUNCIL HEREBY ORDAINS AS FOLLOWS:**

**SECTION 1.** The City of Salinas’s Zoning Map, a copy of which is on file with the City Clerk of the City of Salinas and which copy constitutes the original record, is hereby amended to reflect the following:
