**RE: ROUND 2 CANNABIS SELECTION COMMITTEE FINAL SCORING RESULTS FOR  
COMMERCIAL CANNABIS PERMIT (CCP) APPLICATIONS: DISTRIBUTION AND  
MANUFACTURING LOCATED AT 743 SANBORN ROAD**

Dear Mr. Alvarez:

The purpose of this letter is to notify you of the results of the application review process for the CCP applications referenced above that you submitted in the City's "Round 2" permitting period. Unfortunately, the above referenced applications did not receive high enough scores from the Cannabis Selection Committee to receive permits.

The Selection Committee's denial of the permit applications may be appealed per SMC Section 5-07.10. An appeal application must be submitted for each application within ten calendar days of the receipt of this notice. The fee for each appeal is \$791.18. An appeal form and an appeal regulations guidance document are available at the City's cannabis permitting website: <https://www.cityofsalinas.org/our-city-services/community-development/commercial-cannabis-businesses>

Should you need additional information from the Community Development Department, please call 831-758-7206.

Sincerely,

Courtney Grossman
